The Case Officer's report on the applications above are available on the Council's website under the Agenda for **May 2020**.

As the Council responds to coronavirus (COVID-19) we have temporarily amended the Council's procedure for dealing with applications that would normally go to the Planning Committee until normal business resumes. Whilst there will be no Committee meetings during this period procedures have now been put in place for the Chief Executive, in consultation with Members of the Planning Committee, to review applications that would have come before the Committee on a case by case basis.

Whilst all applications being presented to Planning Committee would normally be subject to public speaking rights, as part of the interim procedure that has now been put in place, applicants/agents and, where relevant, those making representations are being afforded the opportunity by the Council to provide final written submissions.

Please note that the Council Office at Mossley Mill is no longer open to the public and consequently any final written submission you wish to make in this case must be sent by post or preferably email to [memberservices@antrimandnewtownabbey.gov.uk](mailto:memberservices@antrimandnewtownabbey.gov.uk) to be received no later than **noon on Wednesday 13 May 2020**.

Information on all planning applications in the Borough, including the relevant forms and drawings, consultation responses and any representations received is available to view online using the Public Access tool on the Northern Ireland Planning Portal. This can be accessed easily from our website. Please contact the Planning Section by telephone on 0300 123 6677 for further information.
