4 ITEMS FOR DECISION

4.1 CP/CD/449 COMMUNITY DEVELOPMENT DIRECTORATE GRANT PROGRAMMES - REVIEW 2025

1. Purpose

The purpose of this report is to seek Members' approval for the Community Development Directorate Grant Funding Programmes following review.

2. Introduction/Background

A vital role performed by the Community Development Directorate is the provision and dispersal of grant funding to the community and voluntary sector and individual residents to support a variety of worthwhile activity. The support provided by the Community Development grant funding provides a significant return for residents of the Borough and supports the Council to deliver its corporate objectives. As part of the establishment of a Grant Funding Unit a review of grant funding has been ongoing to ensure that the funding programmes operated by the Directorate meet the needs of the community and continue to enhance the quality of life of residents.

3. Previous Decisions of Council

In April 2024 the Policy and Governance Committee approved the establishment of a Grant Funding Unit including the appointment of a Grant Funding Unit Manager.

A grant funding corporate workshop was held on 19 December 2024 when the Funding Unit Manager outlined the progress toward the establishment of the Grant Funding Unit by April 2025.

The Grant Funding Policy was approved by the Policy and Governance Committee in January 2025.

The current Community Development grant funding programmes were approved by the Community Planning Committee in September 2022 and the Arts and Culture Grant Programmes were approved by the Committee in April 2022.

The Tourism Event Grant Funding Programme and the Tourism Flagship Event Grant Funding Programme were approved by the Committee in January 2025.

4. Community Development Grant Funding Programme Proposals

All of the Council's grant funding programmes have been reviewed as part of the establishment of a centralised approach to the administration of grant funding which will be delivered by the Grant Funding Unit.

The responsibility for grant funding programme design continues to be the responsibility of the relevant sections of each Directorate that operates funding programmes. Elected Member approval continues to be required for all grant

funding programmes both in terms of the design of the programmes and funding awards.

The following Community Development Directorate Grant Funding Programmes have been reviewed and some modifications are proposed for Members consideration as follows:

Table 1.

COMMUNITY DEVELOPMENT

Summary of Proposed Changes

- Scoring Threshold – A benchmarking exercise was conducted across other Councils and it is proposed the scoring threshold to be increased from 50% to 60%. A 60% scoring threshold for Community Development Grants also aligns with Leisure, ensuring consistency in approach for Council grant programmes.
- Multi-year funding where it exists to be reduced from three years to two years with a call made at the end of each funding cycle for multi-year applications. Annual calls for one year of funding will continue to be made. This is proposed to retain the benefits of multi-year funding whilst ensuring there remains ample opportunity for new applicants.
- Arts and Heritage – The arts and heritage grant aid programme to become the Cultural Grant Aid and Bursaries Programme.
- Community Festival Funding – The maximum award for this programme to be £5,000 for festivals attracting up to 5,000 participants. Larger events will, where appropriate, be signposted and eligible to apply to the Tourism Event Fund as approved by the Committee in January 2025.
- Grant Vouching – It is proposed to pay 50% of most grant awards up front and the second 50% when vouching has been completed to reduce the risk to the Council. Exceptions will continue to apply, such as Community Festival Funding where 75% of payments will be made up front. For all grants and bursaries totalling £1,000 or less, a single 100% upfront payment will be made.
- Community Capital Premises and Equipment Grant – Given evidenced demand to date it is proposed to reduce the maximum community premises grant from £25,000 to £15,000. The capital equipment grant maximum award will remain at £5,000. A budget of £120,000 will support up to four premises awards and twelve equipment awards in 2025/2026.
- Christmas Celebration Grant – It is proposed to increase the maximum award to £1,000 and remove the requirement for match funding.

5. Finance

Provision of £1,101,618 has been made in the Community Development Directorate 2025/2026 revenue estimates for the delivery of the Department's grant funding programmes. A further £120,000 has been allocated in a capital budget for the Community Capital Premises and Equipment grant programme.

The proposed changes to the programmes will have no impact upon the budget allocation.

6. Governance

Responsibility for the design and delivery of the Community Development grant funding programmes remains with the Community Development Directorate. The Grant Funding Unit will support relevant officers in relation to the significant administration required to operate all of the grant funding programmes.

Any new grant funding programmes or future modifications to existing grant funding programmes will continue to be reported to the Community Development Committee for approval. Application calls and proposed funding awards will also continue to be reported to the Committee for approval.

The proposed changes to the grant funding programmes have been recommended in order to improve arrangements for the benefit of applicants and achieve a more consistent approach to grant funding across Directorates.

Members are advised that a Section 75 Equality Screening exercise, Rural Proofing and Data Processing Impact Assessment have been carried out in relation to the Grant Funding Policy.

Each grant funding programme has its own specific grant guidance document and copies are **to follow** for Members' information.

A grant funding workshop will be held for Elected Members on an annual basis to ensure the ongoing engagement of Elected Members in relation to grant funding programmes across the Council.

7. Summary

The Community Development Directorate operates a range of grant funding programmes which provide vital support to the community to deliver programmes, activities and events which enhance the quality of life for residents.

As part of the establishment of a centralised administrative approach to grant funding through the establishment of a grant funding unit community and culture grant funding programmes have been reviewed with some modifications proposed.

4.4 CP/CD/482 BONFIRE MANAGEMENT PROGRAMME 2025

1. Purpose

The purpose of this report is to seek Members approval for the delivery of the Bonfire Management Programme in 2025.

2. Background

The Bonfire Management Programme has been in place since 2016 and is reviewed annually. The Programme seeks to achieve the following key objectives in relation to the delivery of family fun events in the vicinity of bonfire sites:

- To work with and support local communities to bring about improvements in bonfire management;
- To further reduce any adverse health and environmental impacts of bonfires;

In addition, the Programme in the longer terms aims to:

- Reduce the use of flags, images and effigies;
- Promote wider cultural links throughout the Borough and
- Tackle sectarianism, racism, homophobia and other forms of prejudice.

There are 26 recognised bonfire sites included within the Bonfire Management Programme, with 4 sites on Council owned land namely:

- Rathcoole – Rathmullan Drive
- Doagh – Anderson Park
- Rathfern
- Randalstown - Neillsbrook

Full details of all 26 sites are **enclosed** for Members information, with the two of the 26 sites who will not participate in the programme in 2025 highlighted in green.

3. Previous Decision of Council

The Bonfire Management Programme is reviewed on an annual basis and the Programme for 2024 was approved at the March 2024 Community Planning Committee. An update report on the delivery of the Bonfire Management Programme in 2024 was approved by the Community Development Committee in September 2024.

The Bonfire Management Programme was first approved by the Community Planning and Regeneration Committee in February 2016 and has been reviewed on an annual basis since this time.

4. Bonfire Management Programme – Key Performance Information

Since the Bonfire Management Programme was introduced in 2016 the following progress has been made:

- There has been an overall reduction in the number of bonfires taking place;
- Seven bonfires have moved from a traditional bonfire to use of a beacon;
- Tangible environmental improvements in the management of bonfire sites in terms of environmental issues and waste have been achieved with images enclosed.

The NIFRS report that there has been a 57% reduction in the number of bonfire related call outs from the inception of the programme.

The PSNI report that there has been an 81.25% reduction in the number of bonfire related incidents they have dealt with between 2022 and 2024. They were unable to provide data before 2022.

There has been a significant reduction in any issues of fly-tipping relating to bonfire sites and delivery of prompt post event clean ups has significantly improved.

In 2024 the Council supported the delivery of 23 family fun events associated with bonfire sites with funding of £3,500 per event used by officers to organise the various events in partnership with local groups. Attendance at each of the events ranged from 100 to 300.

5. Bonfire Management Programme 2025

Officers deliver the Bonfire Management Programme in partnership with the PSNI, NIFRS and NIHE and meet with representatives as part of the ongoing review of the programme. There is a consensus from these agencies that the programme has achieved significant progress as evidenced by the data provided.

Officers also met with bonfire group representatives in October 2024 as well as Elected Members, to discuss the delivery of the programme in 2024.

It was generally agreed by all of the above that the Bonfire Management Programme has achieved progress and remains fit for purpose in the absence of any legislative framework or guidance being developed by Executive Departments.

Proposed Dates for the 2025 Bonfire Management Programme

In preparation for the delivery of the 2025 Bonfire Management Programme, copy enclosed for Members' information, Officers are preparing online registration packs for completion by all potential participating sites. Sign up events have been scheduled to take place in Antrim Civic Centre and Mossley Mill on Thursday 3 April and Friday 4 April 2025 respectively and the collection date has been proposed as Friday 16 May 2025.

Interagency site inspections, which will be carried out by Officers and Statutory Partners, are proposed as follows:

Pre-Collection Inspection – Thursday 15 May 2025 (Council Officer Only)

First Inspection – Friday 30 May 2025

Second Inspection – Friday 20 June 2025

Final Inspection and Family Fun Event Visits – Friday 11 July 2025

Early indications suggest that 24 sites will sign up to participate in this year's programme. This will be an increase from 23 sites in 2024 with Mallusk Gardens anticipated to join the Bonfire Management Programme in 2025.

6. Financial Position

Members are advised that £84,000 for the family fun events and £87,000 for the provision of beacons including maintenance and repair has been included in the Community Development Estimates for 2025/26 for the delivery of the programme.

The Northern Ireland Housing Executive (NIHE) has indicated that they may be in a position to provide £50,000 of funding, similar to that awarded in 2024, towards the cost of the programme, which would reduce the cost to the Council to £121,000. A formal letter of offer is yet to be received.

In addition, financial assistance of £6,000 has been secured under the District Council Good Relations Programme, to deliver a programme entitled "12 Weeks In 1690". This course will provide an historical background to the events surrounding the 12 July Celebrations and will help build cultural competence and confidence with a view to encouraging participants to engage with other cultures.

The course will be delivered in Antrim Civic Centre on Thursday 27 February and Thursday 6 March and in Mossley Mill on Thursday 20 and 27 March 2025. The programme will conclude with a visit to the Siege Museum and Tour of the Walls in Londonderry on Saturday 22 March 2025. Three representatives from each of the 24 bonfire sites signing up to the programme will be invited to attend.

7. Governance

In order to be eligible for the Council's funding support to deliver family fun events bonfire groups must meet the following criteria in full:

- a) Be properly constituted and include a decision-making process and aims and objectives and activities that are acceptable to the Council;
- b) Must ensure that appropriate insurance cover where required is taken out and maintained for the duration of the Event. It is the responsibility of the Group to seek advice on any insurance liabilities relating to the event/activity. Evidence of this shall be presented to the Council if requested.
- c) Produce an annual statement showing the Group's financial position for the relevant period;

- d) Agree to the Council's monitoring, evaluation and training requirements as appropriate.
- e) Be one of the Bonfire Sites recognised by the Council (List of recognised groups/sites at Appendix A Bonfire Management Programme 2025). No new sites will be included, as agreed when the Programme was initially approved.

The programme also contains funding guidance and terms and conditions as well as clauses in relation to any non-compliance and potential impact upon funding.

Officers are aware that at some sites, there are isolated but ongoing issues relating to the burning of flags on bonfires. Officers have raised this directly with groups on an ongoing basis, who, in turn, have expressed their genuine frustration that in spite of their efforts, they have been unable to eliminate this unwanted activity entirely.

8. Equality Screening

The Bonfire Management Programme was equality screened in May 2018 and since then there have been no material changes to the programme this screening still applies.

9. Summary

The Council has been delivering the Bonfire Management Programme since 2016 and the programme has achieved significant progress to date with officers and group representatives committed to achieving further improvements.

The 2025 Bonfire Management Programme, including significant dates and activities is proposed for delivery in 2025 including aspects of governance and the estimated programme budget of £171,000. The budget of £171,000 has been allocated in the 2025/2026 Community Development budgets for delivery of this programme, with £50,000 funding from the NIHE anticipated in the coming months. If secured the budget can be reduced to £121,000.

10. Recommendation

Members review and approve the proposed 2025 Bonfire Management Programme, including aspects of governance and funding conditions, and the estimated budget of £171,000.

2. Introduction/Background

Victory in Europe (VE) Day is the day commemorating the formal acceptance by the World War II Allies of Germany's unconditional surrender of its armed forces on Tuesday, 8 May 1945; it marked the official end of World War II in Europe. Sunday 11 May

- VE Day Party in the Park in Antrim Castle Gardens. It is proposed to move the annual Party in the Park from August to May and theme it around VE day: live music will have a 1930s / 1940s theme, attendees will be encouraged to wear 1940s-style fashion, bunting and flags will reflect the original VE Day celebrations, and World War II equipment will be sourced and displayed (field guns, replica vehicles and aircraft etc). In addition, the military have agreed to set up a tri-service military village at the event. VE Day Party in the Park would be ticketed, with an entrance fee of £2.50 per person, 50p of which would go to the Mayor's charities. The highlight of the event would be an attempt to break the Guinness World Record for the world's largest tea dance, during which hundreds of people will be encouraged to dance together to Glenn Miller's *In the Mood*, played on stage by the PM Big Band. The current world record, set in Glasgow in 2010, involved 306 participating couples: with more than 4,500 attendees at the 2024 Party in the Park, this should be easily surpassed on VE Day, and would attract significant media interest.
- In addition, special flowerbed discs marking VE Day 80 will be located in flowerbeds across the Borough as for previous similar notable occasions.

4. Financial Position/Implication

A budget of £25,000 is proposed to cover the cost of organising the VE Day Party in the Park, and this would be supplemented by an estimated net ticket income of £6,500. The anticipated indicative expenditure for this event would be:

Infrastructure costs (stage, barriers, toilets, generators etc)	£6,000
Animation and entertainment costs	£11,000
Marketing and communications costs	£1,500
Accessibility costs	£2,000
Stewarding and staff costs	£5,000
Technical costs	£3,000
Traffic management costs	£1,500
First aid costs	£1,500
Total costs	£31,500
Anticipated ticket income	£6,500
Council contribution	£25,000

A budget of £25,000 is already in the draft 2025/26 estimates for Party in the Park in August 2025, and it is proposed to move this to fund the VE Day celebration event.

An additional budget of £5,000 is also proposed to cover all other costs (support for the two exhibitions, purchase of two VE Day flags, fees for buglers and pipers etc), and this has been included within the 2025/26 estimates.

5. Summary

The 80th anniversary of Victory in Europe (VE) Day is on 8 May 2025. A programme of events to mark the occasion is proposed, including two exhibitions, a Beating the Retreat display given by the Band of the Royal Irish Regiment, beacon lighting and flag raising ceremonies, and a VE Day Party in the Park for 4,500 members of the public, during which an attempt would be made to break the Guinness World Record for the largest ever tea party.
