## Issue 4 – September 2018

### The PEACE IV Partnership Turns 2!

September has proved a milestone month with the PEACE IV Partnership turning 2. The hard work and dedication of the Partnership over the past two years has been vital in the successful delivery of the PEACE IV Local Action Plan to date. We look forward to achieving even more by this time next year!

### Delivery Agents Visit the Partnership

This month the Partnership have hosted Todds Leap to present BPR Leadership and Life Skills Programme, and Blu Zebra to give an update on the progress of SSS Community Connections Programme and BPR Sports Engagement Project in association with Sport Changes Life. This was a fantastic opportunity for Partnership members to learn what has been happening on the ground with the projects and provide advice and guidance around recruitment.

### PEACE IV Networking Event

Delivery Agents attended a networking event at Mossley Mill on Thursday 27<sup>th</sup> September. This was a great opportunity to come together and share the progress and experiences to date on each programme. Staff and Partnership members were delighted to hear of the positive impact programmes are already having within the Borough and Delivery Agents were able to share ideas on how they can link up and work together within the community. For information on individual programmes, you can download the Programme Brief by visiting the website address at the bottom of the page.
