## **2.0 How to answer questions?**

### **2.1 Information about your organisation**

This section of the application form gathers information about your organisation, including contact details and insight on the purpose and work of your organisation, which will enable the assessment process to check eligibility.

### **2.2 Project Proposal**

This section of the application form gathers information about your project proposal what you want to do and why. This is the part of the form where you must clearly and sufficiently demonstrate how and why there is a need for your project, what beneficial outcomes will be created and how these meet the needs of the Council's Corporate Plan.

This section allows you to detail why you think this project approach will work for the proportionate impact you plan to make. The assessment process will focus on the quality, impact, and investment effectiveness of each proposal.

You might reference, for example, evidence of your approach working before, or how your proposal is an innovative way to reach more people or make a greater impact on a smaller number of participants.

### **2.3 Project Delivery**

This section of the application form is where you detail how you are going to deliver the project. It includes timescales and your budget (how grant funding will be used and on what).

You will be asked to think about how you will manage any potential risks to delivery, how you will secure funding from other sources and how you might capture the impact of your project.

Interested applicants should book a place at one of the in person/online Grant Information Sessions where we will take groups through the funding and assessment criteria as well as the new application forms and online process.

It is important to remember that the application will be assessed ONLY on the information provided in the application form and specifically in the box relating to the question asked. Any information that you do not include or that is contained in other parts of the application form will not be considered. Therefore, you MUST demonstrate how you meet the essential criteria as set out in these guidelines in the application.

#### 3.1 Eligibility assessment

Applications received by Council will be logged and undergo eligibility checks. If eligibility information is missing at this point, you will be contacted and given 10 days to submit the missing information.
