2.0 How to answer questions?

2.1 Information about your organisation

This section of the application form gathers information about your organisation, including contact details and insight on the purpose and work of your organisation, which will enable the assessment process to check eligibility.

2.2 Project Proposal

This section of the application form gathers information about your event proposal – what you want to do and why. This is the part of the form where you must clearly and sufficiently demonstrate how and why there is a need for your event, what beneficial outcomes will be created and how these meet the needs of the Council's Corporate Plan.

This section allows you to detail why you think this project approach will work for the proportionate impact you plan to make. The assessment process will focus on the quality, impact, and investment effectiveness of each proposal.

2.3 Project Delivery

This section of the application form is where you detail how you are going to deliver the event. It includes timescales and your budget (how grant funding will be used and on what).

You will be asked to think about how you will manage any potential risks to delivery, how you will match fund the project and how you might capture the impact of your event.

3.0 How we assess and score your application?

A panel will evaluate eligible applications against the category criteria. Applicants will be notified via email detailing the outcome of the application.

Each application will be considered on its own merits. To deliver the programme's aim and general principles, applicants will need to demonstrate how their project meets the appropriate criteria. It is important to remember that the application will be assessed ONLY on the information provided in the application form and specifically in the box relating to the question asked. Any information that you do not include or that is contained in other parts of the application form will not be considered. Therefore, you MUST demonstrate how you meet the essential criteria as set out in these guidelines in the application.

3.1 Eligibility assessment

Applications received by Council will be logged and undergo eligibility checks. If eligibility information is missing at this point, you will be contacted and given 10 days to submit the missing information. Failure to provide all necessary eligibility information and complete forms as required will mean your application will not go forward for assessment in the current funding call.

If you are not sure whether you or your organisation and project meet the eligibility criteria, or you need more guidance on the application form, please contact the leisure grants team. You can find contact details at the end of these guidance notes.

3.2 Assessment and scoring

If your application has met all the eligibility criteria the panel will use the following criteria to score your application

- 3.3.5 Grant payments will be made paid 50% up front and 50% following submission and approval of completed Project Grant Claims. If your project receives grant support, you will be in receipt of public funding, and

this must be accountable. Monitoring and reporting are an essential requirement for you in delivering your project.

We will also ask all organisations for auditing purposes, to check how the grant was spent and that the terms and conditions of the funding were met. You will be contacted by your local Council Lead and you will be asked to provide invoices and bank statements for all the items you are claiming through the grant.

If your project does not meet its targets and outcomes, we can review and reduce the amount of funding awarded.

If any information in the application, monitoring or supporting information is found to be untrue or misleading, we will withdraw any grant. If we have already paid part of a grant to your organisation, you must repay it. This will have implications for any future applications or requests for funding. We may also review grants made to your organisation in the past.

The Grant Recipient shall acknowledge the contribution made by the Council in all relevant publicity materials including brochures, leaflets, newspaper articles etc. The Council shall be entitled to publish details of the assistance referred to in this letter at such times and in such manner as is necessary without further agreement from the Grant Recipient. 3.6 Breach of Letter of Offer and Claw-Back arrangements

If the Grant Purpose ceases to be carried out during the relevant Grant Period as a result of any act, omission or default on the part of the grant Applicant organisation, including any breach of the terms and conditions contained within the Letter of Offer, the Council will invoke clawback procedures to demand that the Applicant repays in part or full the Grant Funding awarded.

The Applicant will be considered in breach of their funding offer if: the following apply – please note this list is not exhaustive:

- They provide misleading or inaccurate information, by accident or deliberate during the application process
- Members of the organisation funded, including volunteers and staff at any time during the project act dishonestly or negligently causing directly or indirectly any detriment to the activity or bring into disrepute the reputation of the Council by association through funding award(s)

- The organisation does not take positive steps to ensure equality of opportunity in its employment practices, delivery of and access to services
- The organisation by their own actions makes their facilities and/or activities less inviting to any sections of the community
- There is a change of purpose, benefit, ownership, or recipient, either during the project or within a reasonable period after its completion

Any reported or identified breaches or potential breaches that cannot be resolved to the satisfaction of the Council will result in the grant award in part or in full being clawed back by the Council.

If funding is withdrawn or clawback procedures invoked the Applicant organisation will have no legal redress to have funding reinstated. The decision of Council in this case will be final.
