## The importance of neuroinclusion

### Autism Act (NI) 2011

All organisations have legal obligation to provide equitable access under disability legislation

Ensuring your organisation is inclusive is essential to ensure equity of access, improve your services and give your organisation a competitive edge.

## Build a meaningful and practical approach to inclusion

The Impact Award provides tailored training and expert support to guide you through every step of the process.

- CPD certified training
- AQA Unit Award accreditations
- Individualised action plan
- Ongoing expert support for 3 years
- Plaque and PR materials to demonstrate your achievement
- Listing on Autism NI's website and promotion on social media to promote your achievement

The Impact Award Framework is tailored to each organisation or service, providing a bespoke approach that fits your needs. This includes:
