I consider it to be 'Sound'

**Sound Representation****If you consider the draft Plan Strategy to be SOUND and wish to support the document, please set out your comments below:****Sound Justification:**

I dont knowing this is the correct area to suggest this, but the transport plan should include the following:

- 1) Dualling of Templepatrick Road
- 2) Dualling of Ballyrobin Road
- 3) Bypass of Templepatrick
- 4) Railway halt at Belfast International Airport (it's a disgrace that the railway runs along the boundary of the airport but there is no provision to get the train to the airport)
