The aim of the programme is to provide access to a range of health books **(list enclosed)** with the aim of helping people to understand and manage their health and wellbeing using self-help reading.

The scheme is currently being provided in Antrim and Rathcoole libraries and it is proposed to extend the scheme to a number of GP and community facilities.

NHSCT have offered the Council the opportunity to host the 'Read Yourself Well Scheme' in four community facilities. Officers have identified the following sites to allow for a Borough wide coverage and complementing established mini libraries and footfall to enhance participation in the programme.

- Theatre at the Mill – established Mini Library
- Antrim Courtyard – established Mini Library

3.2 CP/PCSP/70 APPOINTMENT OF POLICING AND COMMUNITY SAFETY PARTNERSHIP CHAIRPERSON

Members are advised that the Justice Act 2011 states that the position of Chairperson of the Policing and Community Safety Partnership is held by an Elected Member for a period of 12 months, or for a period ending with the reconstitution date. The Justice Act also states that position is held in turn by each of the 4 largest parties represented on the Council immediately after the last local general election. The position of Vice-Chairperson is held by an Independent Member, appointed by the Independent Members.

Members are reminded that Councillor Leah Smyth was appointed to the position of PCSCP Chairperson at a meeting of full Council on October 2020, with term commencing immediately until the next Council AGM in June 2021.

Members are therefore requested to appoint a Chairperson for the incoming year of the PCSP from the third largest party represented on the Council. The Alliance Party are the third largest party, two Alliance Party representatives currently serve on the Policing and Community Safety Partnership, Councillor Julie Gilmour and Councillor Glenn Finlay.

The Alliance Party nominating officer has informed Council that Alderman Julian McGrath will replace Councillor Glenn Finlay as Alliance Party representative on the PCSP with effect from 1 June 2021 and also nominate Councillor Gilmour for the position of Chairperson of Antrim and Newtownabbey PCSP for the 2021/2022 year.

RECOMMENDATION: that Councillor Julie Gilmour be appointed to the position of Chairperson of the PCSP from 30 June 2021.

3.3 CP/CD/394 COMMUNITY DEVELOPMENT GRANT AID PROGRAMME SMALL GRANTS FUNDING RECOMMENDATIONS 2021/2022

Members are reminded of the Small Grants Programme which was agreed by the Council in October 2014 as part of the new Antrim and Newtownabbey Borough Council Community Development Grant Aid Programme.

The purpose of the Small Grants programme is to provide financial assistance to groups within the Borough of up to a maximum of £500 towards seeding costs and/or insurance or a small activity and/or insurance. Members are advised that groups who apply for a small grant are not permitted to apply for any other funding available under the wider Community Development Grant Aid Programme during the course of the 2021/22 financial year.

In December 2019 Members agreed that from 1 April 2020 all Small Grant requests of £500 or less be assessed on the basis of Pass/Fail against eligibility criteria and not subjected to a scored assessment process. All proposed awards are subject to the receipt of a Group Constitution, List of Committee Members, Bank Statement, Annual Accounts and a signed disclosure from the group confirming that all other appropriate supporting documentation is in place and can be provided on request or the offer of funding will be withdrawn.

In May, three applications totalling £1,500 were received and assessed by Officers as outlined below.

Group Name/Project Promoter	Project Description/Title	Pass/Fail	Amount Requested	Amount Awarded
D'Sign Arts NI	Short Multi Media Production – Laurel and Hardy/Charlie Chaplin	Pass	£500.00	£500.00
Burnside Village Committee	Insurance 2021/22	Pass	£500.00	£500.00
CORE New Mossley	Insurance 2021/22	Pass	£500.00	£500.00
Total			£1,500.00	£1,500.00

The total budget available for the Small Grants Programme for the 2021/22 financial year is £10,000 of which £4,467.14 remains.

The total amount of financial assistance requested by the three applications outlined above is £1,500 and if all three are approved by Council it will leave a balance of £2,967.14 to fund further applications submitted during the course of the current financial year.

It will be a condition of funding that all community/voluntary groups ensure compliance with all relevant and applicable COVID-19 Government and Public Health Guidance and Regulations.

RECOMMENDATION: that the three Small Grant applications outlined above be approved at a total cost of £1,500.

3.4 CP/PCSP/126 BEAT SUMMER INTERVENTION 2021

Members are advised that through the Antrim and Newtownabbey Policing and Community Safety Partnership (PCSP) supported by Council's Good Relations Programme, the delivery agent awarded the PCSP High Risk Youth Tender will be operating a youth intervention programme during July and August.

BEAT ('Be Educated, Be Active, Be Together') is designed to be more than a conventional summer scheme by engaging with detached young people who are at risk of becoming involved in anti-social behaviour and providing a mix of positive physical, developmental and educational activities. Young people are encouraged to participate in activities that include drugs/alcohol awareness, fire safety, team building, mental health awareness, developing healthy inter-personal relationships, arts and music, good relations, and sports. The BEAT programme is aimed at young people aged 11+ and will aim to operate three evenings per week, from 7-10pm, for 8 weeks during July and August.

The BEAT programme is targeted in areas within Antrim and Newtownabbey Borough that have been highlighted through a multi-agency forum as experiencing increased levels of anti-social behaviour. The agreed programme delivery areas for the 2021 programme are Rathenraw, Ballyclare, Glengormley and Crumlin. A smaller scale 2nd satellite programme will run within another area of Antrim, on two evenings - for which Stiles Community Centre is requested.

Local community groups are encouraged to participate in the planning and implementation process to ensure local ownership and support for the programme. The delivery agent is engaging with local youth providers and community groups to secure venues in Ballyclare and Crumlin. They will also be identify opportunities through other programmes they have funding to deliver, thereby ensuring a broader range of youth intervention during the summer across Antrim and Newtownabbey, in addition to that being delivered through the BEAT programme.

To support the delivery of this summer's BEAT programme, Council is asked to grant free use of Council's community and park facilities in those areas that BEAT will be operating.

Sessions will run from Monday 5 July until Saturday 28 August (8 Weeks):

- Lilian Bland Pavilion- Glengormley, Tuesday, Thursday, Saturday evenings 7-10pm
- Rathenraw Community Centre - Monday, Wednesday, Friday evenings, 7 -10pm
- Stiles Community Centre - Monday and Friday evenings, 7-10pm

The cost of the Centre hire would be as follows:

Venue	Cost Per Night	Total Cost
Lilian Bland Pavilion	£34.65	£831.60
Rathenraw Community Centre	£35.67	£856.08
Stiles Community Centre	£44.58	£713.28
	Total Cost:	£2,400.96

However, there is no guarantee that the BEAT bookings would displace other potential income generating activity.

RECOMMENDATION: that free use of Lilian Bland Pavilion, Rathenraw and Stiles Community Centres during July and August 2021 to accommodate delivery of the Beat Summer Intervention Programme be approved.

Prepared by: Lynda Kennedy, Peace IV & PCSP Co-Ordinator

Agreed by: Ronan McKenna, Head of Community Planning (Interim)

Approved by: Ursula Fay, Deputy Director of Community Planning (Interim)

3.5 CP/P4/017/ VOL2 PEACE IV PARTNERSHIP MINUTES

Members are reminded that the PEACE IV Partnership operates as a Working Group of Council. As such the minutes of the PEACE IV Partnership meeting held on 20 October 2020 are enclosed for consideration.

RECOMMENDATION: that the minutes of the PEACE IV Partnership held on 20 October 2021 be approved.

3.6 AC/GEN/14 TOURISM NI QUALITY GRADING SCHEME

Members are advised that Tourism Northern Ireland (TNI) operates a Quality Grading Scheme for visitor attractions, which gives operators an independent quality assurance award. The scheme is a practical example of TNI's commitment to increasing visitor numbers and experiences through developing a quality experience.

There are five-quality grades awarded for the standard of services and facilities and are represented like hotels by 1 to 5 stars, which convey the following standards:

- **Five Stars Exceptional**
- **Four Stars Excellent**
- **Three Stars Very Good**
- **Two Stars Good**
- **One Star Acceptable**

Assessments are carried out without advance warning through in the main incognito visits by assessors but also with pre-visit research online and on the telephone. Having identified the scheme as an excellent tool in the ongoing continuous improvement strategy an application for Antrim Castle Gardens was first submitted in 2019 and a four-star rating achieved. The visitor attraction participated in the scheme again in 2020 with the retention of a four-star award noted at the June 2020 Council Meeting and participation in the scheme in 2021 at a cost of £150 approved.

Tourism NI have been in contact to advise that they have not been able to carry out their full assessment process with in person incognito visits at the start of the year not possible due to Covid 19 restrictions. However, they are recommending that Antrim Castle Gardens retains its four-star rating for 2021.

The grading assessment report provided by TNI in 2020, following their assessment visit, has been used to inform an improvement plan which aims to achieve a Five Star rating in 2022 by improving the visitor experience from excellent to exceptional. This plan will also form the basis of creating an excellent visitor service at the newly opened nearby Gateway Visitor Attraction.

It is proposed that both Antrim Castle Gardens and The Gateway Visitor Centre participate in the TNI Quality Grading Scheme in 2022 the outcome of which will be reported to a future meeting.

RECOMMENDATION: that the retention of a four star TNI Quality Grading for Antrim Castle Gardens be noted and participation in the scheme by Antrim castle Gardens and The Gateway Visitor Attraction in 2022 be approved.

Approved by: Ursula Fay, Deputy Director Community Planning (Interim)

3.7 AC/MU/001 PARANORMAL INVESTIGATIONS

Correspondence has been received from a local paranormal group in Newtownabbey. They have requested permission to carry out a paranormal investigation in Mossley Mill at the end of August. They have stated that they do not advertise where they are carrying out investigations.

Members are reminded that it was approved at the Council meeting in June 2017 that permission be granted to Ballyclare Paranormal Society to carry out an investigation into paranormal activity associated with Ballyclare Town Hall.

Out of hours' access to Mossley Mill can be facilitated given the presence of contract security staff, however Mossley Mill remains closed to the public with access limited at present due to Covid 19 restrictions. It is proposed to permit access to Mossley Mill by this group for paranormal investigation at the end of August providing restrictions in place at the time permit public access to the Mill. Any planned paranormal investigation activity in the Mill would be subject to a risk assessment including Covid 19 secure measures.

RECOMMENDATION: that the request to carry out a paranormal investigation at Mossley Mill, subject to Covid 19 restrictions and appropriate risk assessments being completed, be approved.

3.8 AC/GEN/074 DEFENCE GARDENS SCHEME AT ANTRIM CASTLE GARDENS

The Reserve Forces' & Cadets' Association for Northern Ireland (RFCA NI) is an independent, community-based organisation with the responsibility of advising and assisting the Defence Council on issues concerning the 2,000 reservists and more than 3,500 cadets in the region.

A RFCA representative has been in contact to request that the Council consider participation in The Defence Gardens Scheme (DGS) by allocating a small area in Antrim Castle Gardens for this use. The DGS works in partnerships with veterans' charities, military units, community mental health service providers and gardening projects to develop, deliver and evaluate nature-based therapy for service leavers and veterans. It is supported by the Northern Ireland (NI) Veterans Support Office and the NI Veterans Commissioner.

It is proposed to allocate the Cottage Garden bed in Clotworthy House for this scheme at no cost to the Council. Those participating in the scheme will tend this bed and participate in gardening and maintenance of the bed to the benefit of visitors to Antrim Castle Gardens under the direction of the Head Gardener.

RECOMMENDATION: that participation in the Defence Gardens Scheme by allocating a flower bed in Antrim Castle Gardens at no cost to the Council be approved.

Approved by: Jacqui Dixon, Chief Executive

3.9 AC/GEN/067 ULSTER-SCOTS LEID WEEK 22 TO 27 NOVEMBER 2021

Members are reminded that participation in Ulster-Scotch Leid Week from the 23 to 28 November 2020 was agreed by the Committee in September 2020 with a virtual programme delivered. The Council participated in the first Ulster- Scotch Leid week in November 2019.

Correspondence has been received from the Ulster-Scots Agency a copy of which is **enclosed** for Members' information. They have informed the Council of their plans to run another Ulster-Scotch Leid Week from 22 to 27 November 2021 with the aim of increasing awareness and appreciation of Ulster-Scots language and building upon the success of the last two years.

It is proposed to participate in the Ulster-Scotch Leid Week 2021 with content developed which utilises in house resources and Council venues. Whilst it is hoped to deliver an 'in person' programme, development of the programme will ensure that it can proceed in line with any Covid 19 restrictions that may be in place in November. As part of this Officers will engage with the Agency regarding potential events and access their support where possible.

The programme was equality screened in 2019 and did not need to have an Equality Impact Assessment carried out.

RECOMMENDATION: that participation in Ulster-Scotch Leid Week 22 to 27 November 2021 be approved.

Approved by: Jacqui Dixon, Chief Executive

3.10 AC/GEN/018 LIGHT UP WORKING GROUP

Members are reminded that it was agreed at the Council meeting in July 2019 that the Council form an all-party working group to decide a policy of lighting the main Council civic buildings. A Light Up Civic Buildings Policy developed by the Working Group was approved at the October 2020 Council meeting, when it was agreed that a review of the Policy be brought to the June 2021 Community Planning Committee meeting. The Working Group met on 29 April 2021 to review the current Policy and the minutes are enclosed for Members' information.

The Group agreed that the Light Up Policy had worked well from November 2020 to date with the Council able to show support for a variety of worthwhile charities and causes as well as tragic events and sporting success. The Group have proposed some revisions to the Annual Programme of Council Identified Light Up Events on page 4 as follows:

Change	Date	Cause	Colour
Add	21 March	International day for Elimination of Racial Discrimination	Purple
Add	2 April	World Autism Awareness Day	Blue
Add	21 August	International Day for the Remembrance of Victims of Terrorism	Red
Remove	16 October	Show Racism the Red Card	Red

The addition of a Light Up on 21 March for Elimination of Racial Discrimination has been proposed as an alternative to the Show Racism the Red Card proposal, which is limited to anti-racism in sport and therefore has been removed from the annual schedule.

The review period has highlighted that there may be a few occasions when requests for light ups cannot be covered within the Policy. To address this the Working Group have requested the addition of clause 5.5 which now provides a mechanism for dealing with all requests under this Policy in a consistent manner.

The revised Light Up Civic Buildings Policy is enclosed. An equality screening and rural screening exercise were carried out in October and impact assessments were not required.

It is proposed that the revised Light Up Civic Buildings Policy be approved for immediate implementation with a review to be brought to the June 2022 Community Planning Committee.

RECOMMENDATION: that the revised Light Up Civic Buildings Policy be approved with a review of the Policy to be brought to the June 2022 Community Planning Committee meeting.

3.11 AC/GEN/075 CRAFT OPPORTUNITIES

Members will be aware that inclusion of craft in the Council's arts and culture programme as a participation and educational activity, for exhibition purposes and as a retail offer in events and fairs has been ongoing and proved popular. In 2018 the Council developed its first dedicated craft event in the form of the Spinning Yarns Festival.

Craft is now firmly established as mainstream with 75% of the adult population buying craft in 2019. The craft buying audience in Northern Ireland is estimated to be 1.1 million. Interest in craft is strong both in terms of desire to purchase but also in the demand for experience. The pandemic would appear to have accelerated the interest in craft making.

Craft NI is the sector-lead body for the promotion and development of the design-led contemporary craft industry in Northern Ireland. Members are advised that engagement with Craft NI to identify potential collaboration opportunities has been taking place.

Following discussions about potential collaboration Craft NI has submitted a proposal on how the Council can develop its craft offer, with their support, to the benefit of residents and visitors to enhance the arts, culture and tourism offer and contribute to ongoing recovery of the Borough. The proposal is **enclosed** for Members' information.

Some suggestions from this are proposed for implementation as follows:

- August Craft Month – Participation in this annual celebration of craft, promoted by Craft Ni, which takes place throughout NI over the whole of August. This can be delivered by development of a programme of exhibition, talks and retail opportunities both digital and in person.
- Pop Up Shops - Compliment the Antrim Castle Gardens Gift Shop with a 'Pop Up' retail offer in August and at other seasonal peaks such as Easter and Christmas selling contemporary NI craft. Explore the potential for 'Pop Up' craft retail at other venues such as the Gateway Visitor Centre.
- Craft Fairs and Events – Further develop the craft fair programme across a range of venues including towns and villages to support development of craft to drive footfall.

Development of craft as an art form, as a retail offer and as a potential experience has many benefits for residents, visitors and crafters themselves who are among the self-employed hit hard by the pandemic Ongoing collaboration with Craft NI has mutual benefits for the recovery of both this sector and arts and culture recovery.

RECOMMENDATION: that the implementation of the craft initiatives as proposed and ongoing collaboration with Craft NI in relation to continued development of craft in the Borough be approved.

Members are reminded that it was agreed by Committee in May 2021 to allocate an additional budget of £5,000 to the Northern Ireland Centenary Events fund with the additional budget coming from Arts & Culture underspends.

To be successful in securing financial assistance, of up to a maximum of £1000 under this fund, applicants are required to demonstrate how their event/project meets the objectives of the programme under one or more of the following themes:

A public call for applications to the fund opened on Wednesday 26 May 2021 and closed on Friday 4 June 2021 at 12 noon.

Eight applications for a total of £6,990 have been received and assessed by officers using a similar eligibility criteria and scoring matrix as that used to assess applications under the Community Development Small Grant Aid Programme. A summary of the application score sheets and funding recommendations are **enclosed** for Members' consideration.

Following assessment, the total amount of eligible financial assistance requested is £6,990 which exceeds the budget by £1,990, although this can be met by underspend identified in the Arts and Culture grant aid programme.

All events will be required to comply with all relevant and applicable Covid-19 Government and Public Health Guidance and Regulations.

4 ITEMS FOR INFORMATION

4.1 CP/P4/047 PEACE PLUS CO-DESIGNED LOCAL COMMUNITY PEACE ACTION PLANS

Members are advised that correspondence has been received from SEUPB regarding the Co-design of Local Community PEACE Action Plans **enclosed**.

The SEUPB has appointed a group of consultants to work across all 17 local authorities to support the development of a PEACE PLUS Local Action Plan Model, and governance structure. Each local authority can utilise up to a maximum of €100K to resource the development of the plan.

Phase one will involve co-designing a local community peace partnership model, recognising existing community planning or local economic and community planning processes and structures.

The allocation of funding will follow a similar process to the current PEACE IV Programme and primarily be related to population and deprivation. Each local authority will be allocated a base sum of €1 Million, after which an additional element based on population size and deprivation will be added to each allocation.

SEUPB believes that utilising this approach will ensure that each Local Authority will have an allocation for a Plan that can make a significant difference within the community. It is anticipated allocations will be broadly similar to the allocations in the current Peace IV Programme. There will be regular engagement with Elected Members as part of the Plan development process.

RECOMMENDATION: that the report be noted.
