

My Visit to Mossley Mill

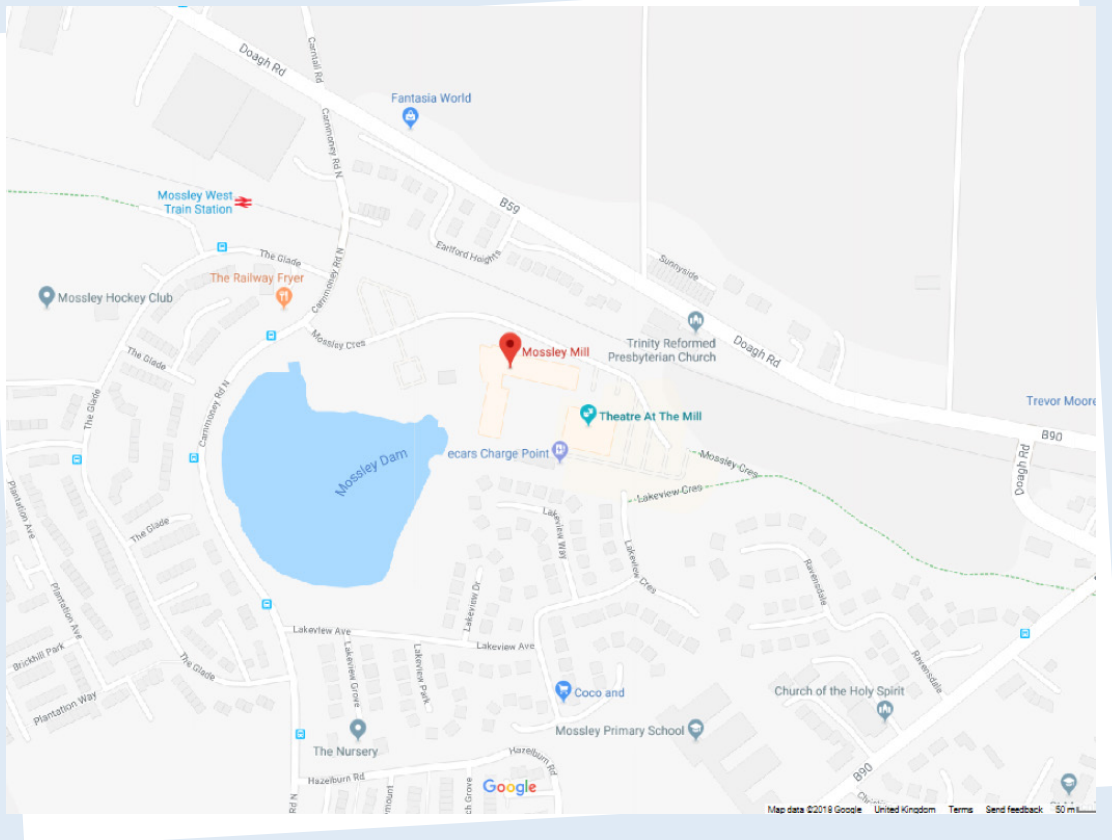

Everyone feels different when visiting a new place or trying something new. There are new sounds, smells and you may not know what to expect.

You may feel like this -

Location of Mossley Mill

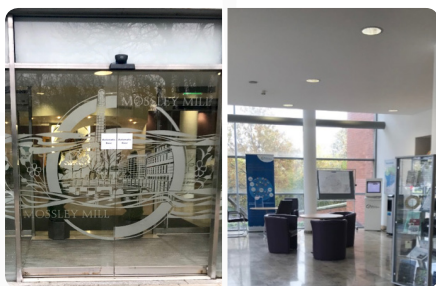

Mossley mill can be accessed via bus / car & foot.
Mossley West Train station is a short walk from the entrance of the building.

There are 2 large car parks one at the front and at one at the rear of the main building.

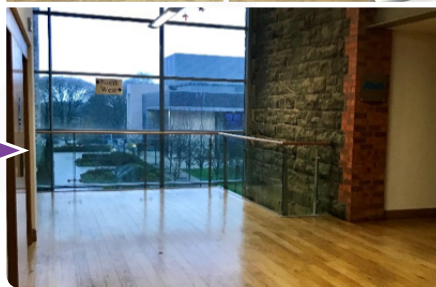

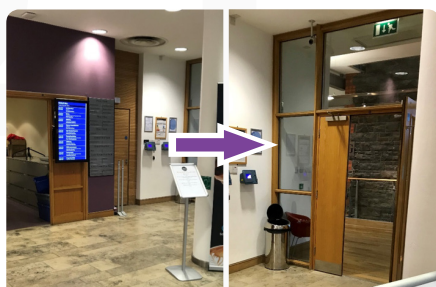

The rear car park is also the location of the Theatre at the Mill.

Welcome to Mossley Mill

This is the reception desk

Lift is located here on the left at the arrow.

The left of the building is north
The right of the building is west

To get to the restaurant go the lift press button for level 1

Or use the stairs to level 1

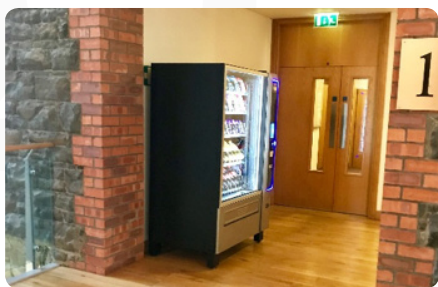

This is the entry to the café

On the left you will see this button

This will open the door.

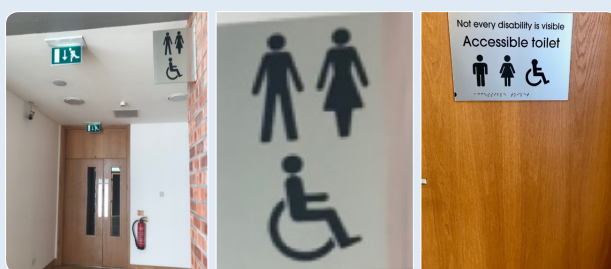

The Toilets are here across the hall.

The following steps should help make your visit feel more familiar, so that you know what to expect.

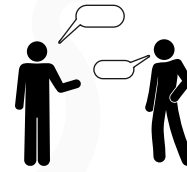

Location of Toilets

Toilets are on every floor at Mossley Mill - opposite the lifts.

Look for these signs

Noises and smells you might notice while down at Mossley Mill.

In Mossley Mill there is a Fire Alarm TEST every
Thursday at 3 PM

THERE IS NO NEED TO LEAVE THE BUILDING

There will be a loud announcement before the alarm sounds.

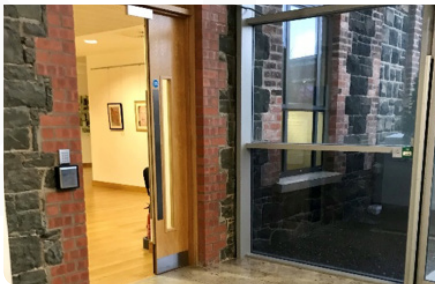

Coming for an interview or just visiting?
On arrival speak to reception

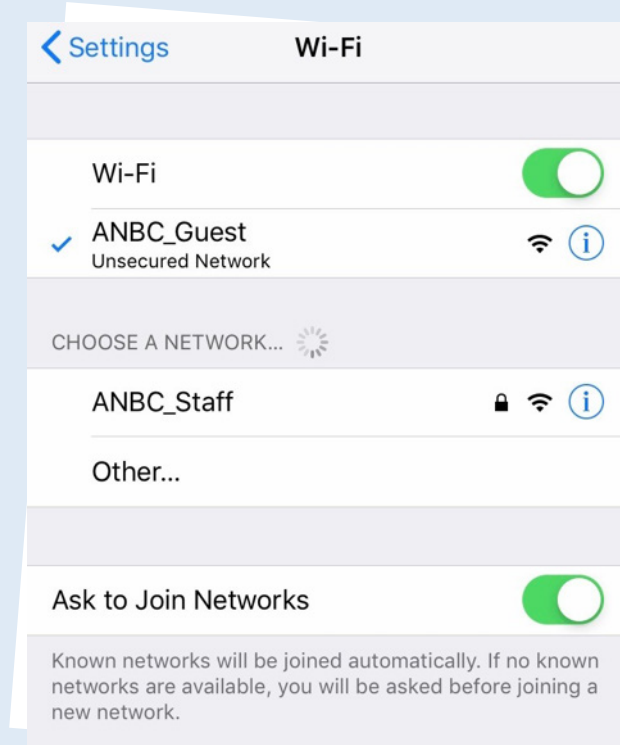

Toilet facilities are on every floor look for these signs

If you would like a quiet space before the interview, Mossley Mill has a quiet area on the Lower Ground floor (LG). There are ear defenders available in this space.

If you prefer to wear headphones you could listen to the tour available to download.

To access Theatre at the mill, take the lift to the LG floor.

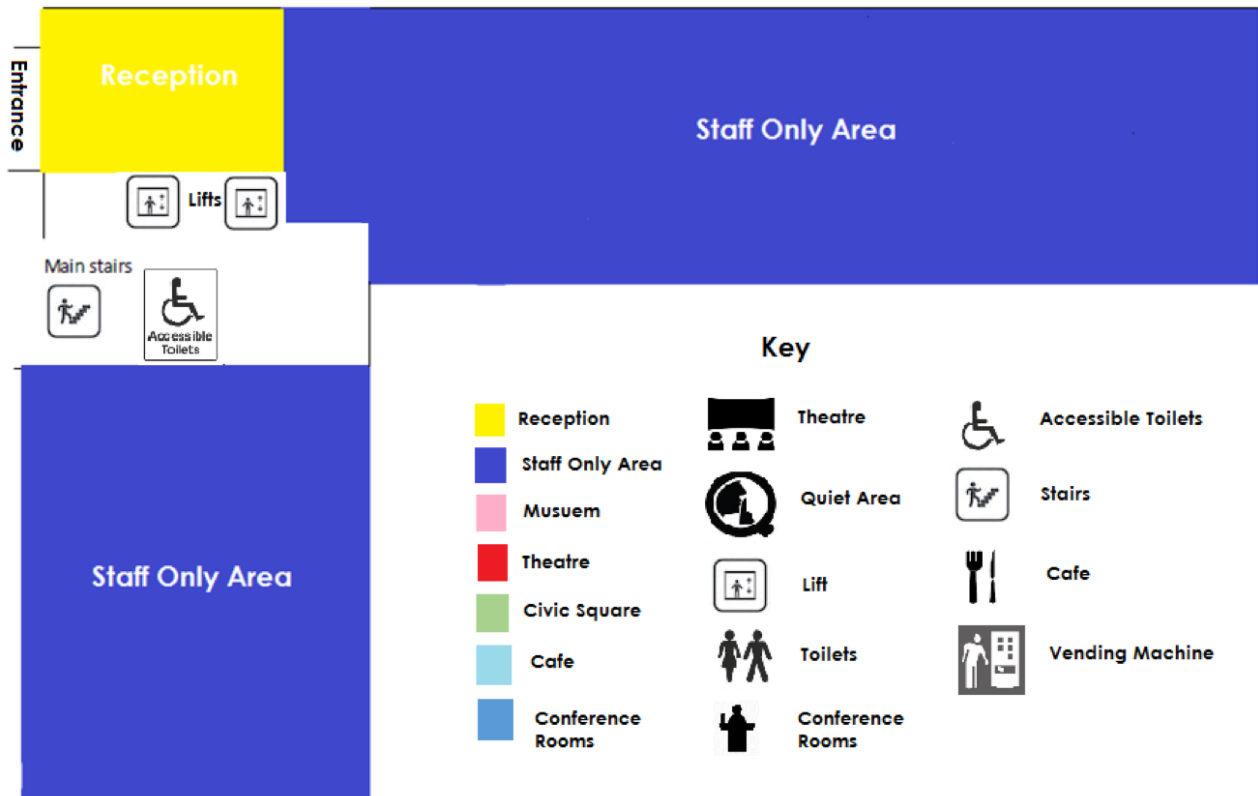

Exit the glass doors and the theatre is on the right.

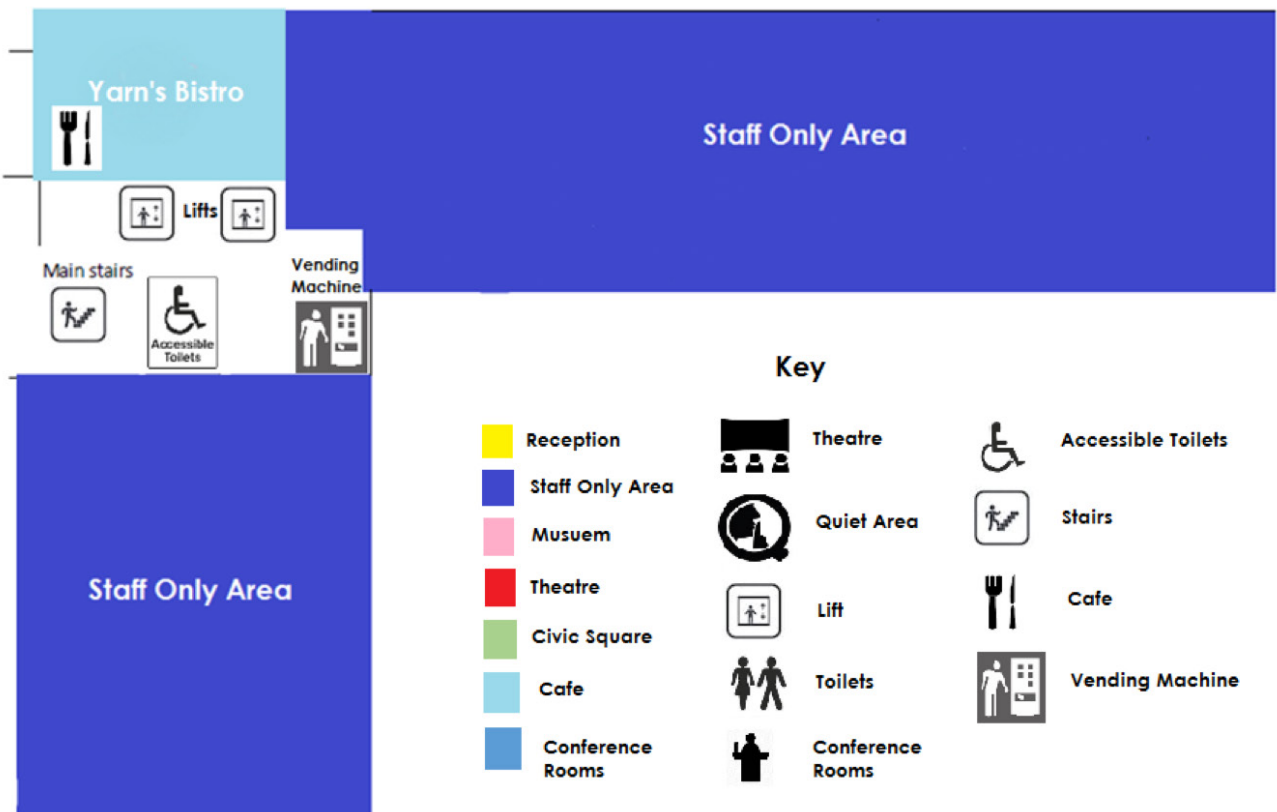

Follow the path straight ahead past the trees on the left then turn right to enter the theatre building.
