PROMPT PAYMENT PERFORMANCE 2023/24

The Department for Communities (DfC) issued revised guidance (Local Government Circular 19/2016) on prompt payments and the recording of invoice payments in November 2016. This guidance requested councils to record specific performance targets of 10 working days and 30 calendar days and continue a cycle of quarterly reporting on prompt payment performance by councils to the DfC and its publication on their website. The Council has set a target of paying 90% of invoices within 30 calendar days and 80% within 10 working days.

The council's prompt payment performance is set out below:
