Important Information

The PEACE IV Programme, funded by the Special EU Programmes Body, is a unique initiative of the European Union, which has been designed to support peace and reconciliation in Northern Ireland and the Border Region of Ireland.

Preparations for the Antrim and Newtownabbey PEACE IV Local Action Plan began in early 2016 with an extensive consultation and engagement exercise. Findings from this established projects within three key themes to become the main focus of the PEACE IV Local Action Plan. These are:

- Children and Young People
- Shared Space and Services
- Building Positive Relations

In order to best utilise available resources, it was agreed by the PEACE IV Partnership to adopt a mixed delivery approach. For example, Antrim and Newtownabbey Borough Council Leisure Services Section, Capital Projects Section and Community Planning Department will deliver a selection of projects, whilst a range of projects will be going to OJEU Tender, Public Tender or Quotation Process. Details of the delivery mechanism for each project is detailed in the PEACE IV Local Action Plan Information Booklet.

All public tendering opportunities will be promoted on the Council website (www.antrimandnewtownabbey.gov.uk) and advertised on eSourcing NI (www.e-sourcingni.bravosolution.co.uk), eTendersNI (www.etendersni.gov.uk), and eTenders IE (www.etenders.gov.ie)

For further information on projects or the application process, please contact Connor O'Dornan (PEACE IV Co-ordinator)

E. Connor.ODornan@antrimandnewtownabbey.gov.uk or T. 028 9034 0208.
