SECTION C - REPRESENTATIONS

Do you consider the draft Plan Strategy to be SOUND or UNSOUND?

I consider it to be 'Sound'

Sound Representation

If you consider the draft Plan Strategy to be SOUND and wish to support the document, please set out your comments below:

Sound Justification:

The strategy is sound in so far as it relates to the Spatial Growth Strategy, and objective (d) to sustain the role of villages as centres for opportunities for housing and employment (page 65).

The identification of Burnside as a village and provision of 50 additional housing units is welcomed, albeit this figure could be increased (page 135).

The promotion of affordable homes in rural locations such as Burnside (SP4.7 and 4.8 is welcome.

The lands shown in the attached map (field nos 2,14,16,17, and 18) are located just north of Burnside and adjacent to a significant employment location (Kingspan) , where new housing can sustainably be located to create a definable cluster of development in association with Burnside. A significant proportion of this land could be allocated for affordable housing.
