To whom it may concern:

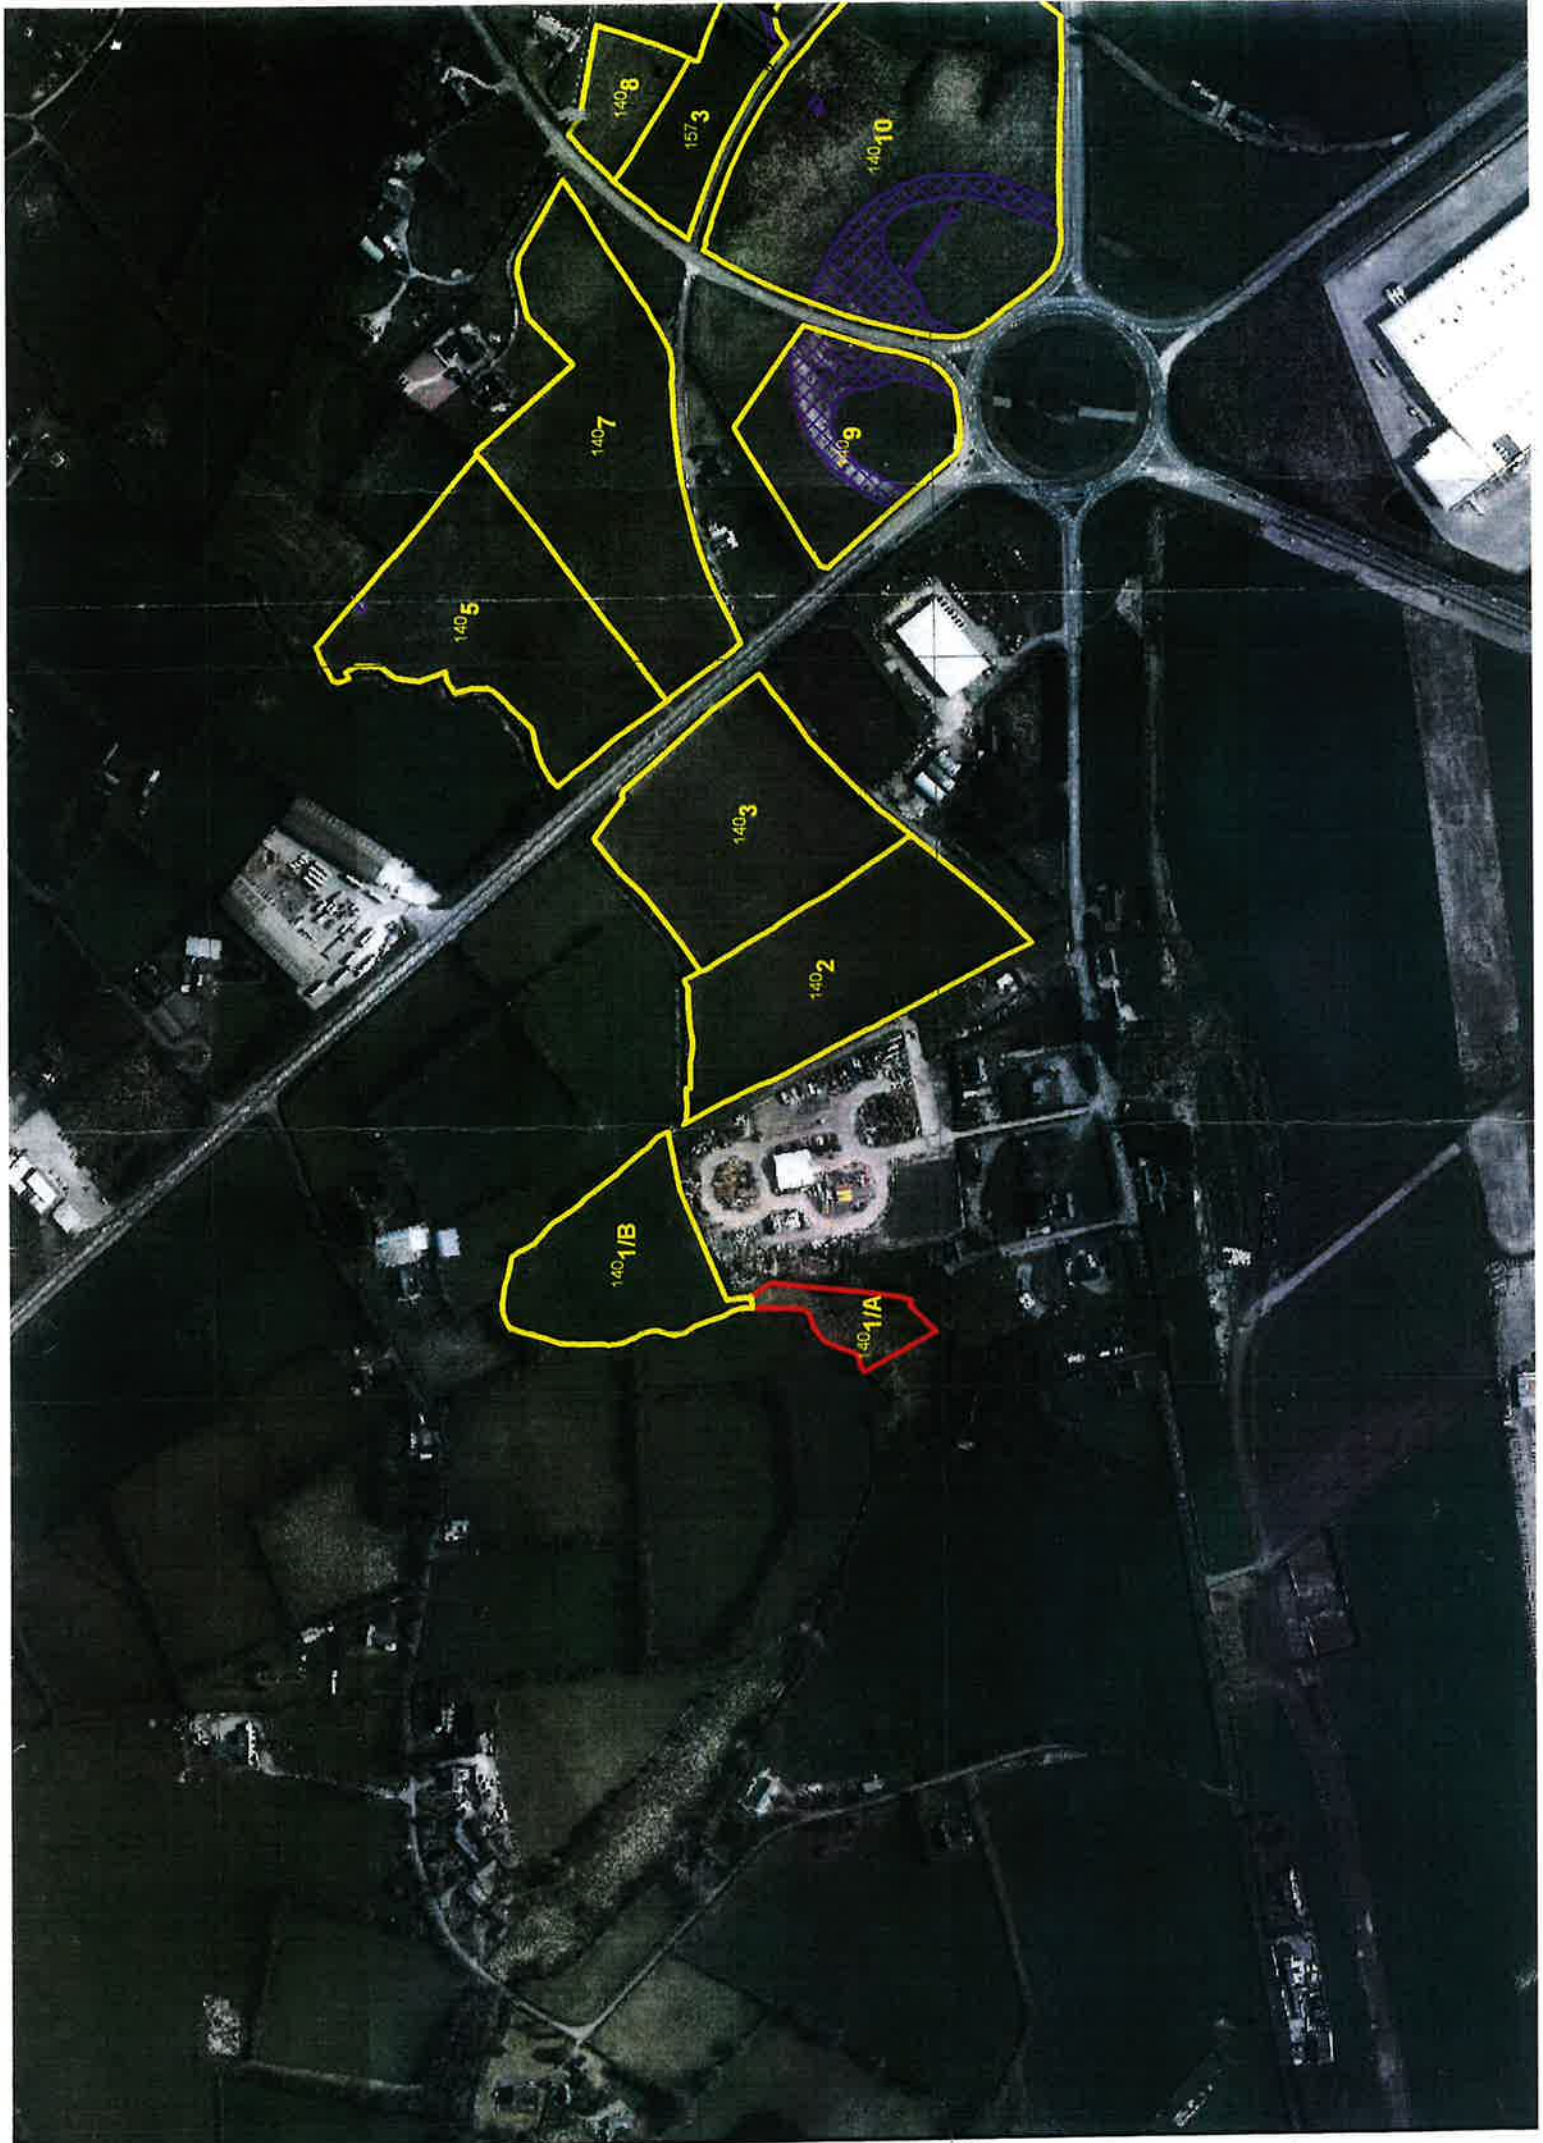

I Lindsay Martin of the above address, would like to congratulate Council on there 'Local Development Plan' regarding Nutts Corner and the information supplied at the Consultation Meeting. I would like my land to be considered for re-development.

I was a former member of the 'Nutts Corner Action Team'. During that time Councillors and Planners discussed how Nutts Corner old airport was in a corridor between two rivers, namely Dundee and Crumlin, which was a natural boundary and reasons why the old Nutts Corner airport could not expand.

'Nutts Corner Action Team' consisted of local Councillors and business owners in Nutts Corner to try to re-develop a brown field site and bring employment to the area, as the road network is in place central to Belfast, Larne, North West, M1 and M2.

Yours faithfully
