

# PEACE IV LOCAL ACTION PLAN

Issue 7 – April 2019

## Building Positive Relations Programme 6 – Growing Understanding Programme Integration of and Connection with BME

Antrim and Newtownabbey (ANBC) PEACE IV participants worked alongside Lisburn and Castlereagh (LCC) PEACE IV participants through the Growing Understanding Programme. Programme participants created a stained glass window entitled 'Torn from Home'; overseen by master glass maker David Esler from Leadlines Studio.

The window incorporates a number of images to help raise awareness of racism, anti-Semitism, and genocide; but also to promote messages of peace and hope.

The windows were displayed by ANBC and LCC to commemorate Holocaust Memorial Day January 2019.
