Our Borough | Your Vision

www.antrimandnewtownabbey.gov.uk

A progressive, smart and prosperous Borough. Inspired by our people. Driven by ambition.

**ALDERMAN JOHN SMYTH**Mayor of Antrim and
Newtownabbey Borough Council

JACQUI DIXON BSC MBA Chief Executive of Antrim and Newtownabbey Borough Council

This Plan builds upon the work of the Council over the last four years and maintains our commitment to become a progressive, smart and prosperous Borough. We will continue to be inspired and driven by the ambition of our people to make this a reality. The Plan highlights our commitment to provide high quality, efficient and effective public services.

The Council's ambitions reflect our responsibilities to provide resilient and reliable leadership, to improve our environment and encourage and support economic growth and prosperity. We want to engage, empower and connect with local communities, improve the lifestyles of our residents and use new and innovative ways of connecting with and listening to our residents and visitors to ensure we are making a positive difference in the Borough. These ambitions are underpinned by a connected and enabled community, a culture of high performance and by ensuring the highest standard of governance.

## **OUR VISION**

A progressive, smart and prosperous Borough. Inspired by our people. Driven by ambition.

#### **PLACE**

- People take pride in their surroundings.
- People feel safe.
- Our environment, natural habitats and built heritage are protected and enhanced.
- We have vibrant and welcoming towns, villages, neighbourhoods and rural areas.
- We have an efficient planning process that promotes positive development and sustainable growth.

#### **PEOPLE**

- We deliver high quality Council services and improve access for people, communities and businesses in the Borough.
- The support we provide will lead to a more active, healthy and empowered community.
- Communities and agencies work together to plan and deliver better services, address disadvantage and improve the quality of life for everyone.
- Our community is inclusive and supportive and encourages a culture of equity, diversity and respect.
- We communicate clearly with our residents, listen to their feedback and respond to their needs.
   Customers increasingly use the Council's digital platforms and can self-serve a wider range of council services.
- People choose to reuse or recycle their waste.
- We achieve excellence in customer and service quality standards and this will be recognised through accreditation schemes and awards.

#### **PROSPERITY**

- We have a world class infrastructure which supports the expansion of indigenous businesses, attracts investment and supports productivity, exports and business growth and acts as a centre of excellence for global companies.
- We will identify and support entrepreneurs and have a strong competitive business advantage which sustains existing jobs and creates new employment opportunities.
- We have an attractive tourism offer and have maximised the benefits to our Borough.
- We have a strong arts and culture brand which enhances the image and reputation of the Council.

**Mission Statement** 

To meet and exceed the needs and aspirations of our people and be recognised for leadership and excellence both locally and beyond.

### **Excellence**

We take pride in organisational and service excellence, delivering the highest quality services to customers through a professional, motivated and highly valued workforce. We use technology and innovation to improve our services and promote a proactive and modern approach to the development of our Borough.

## Integrity

We serve our Borough with integrity, honesty and fairness and treat all of our residents, visitors, stakeholders and employees with respect. We allocate our resources and provide our services in a fair and equitable way.

### Commitment

We are committed to placing the customer at the heart of everything we do, achieving value for money and positive outcomes through high quality services and community empowerment. We demonstrate leadership and team work, engaging with the public to understand their needs and exceed their expectations.

## Responsibility

We make responsible decisions and are accountable, consistent and transparent in all our actions and behaviours. We strive for economic, social and environmental sustainability.

As civic leaders, the community planning process and the development of a Local Development Plan will enable us to plan positively for the future of our Borough. We will ensure that lands are appropriately zoned and that infrastructure is enhanced to develop the Borough for future generations. The Local Development Plan will provide a framework for foreign direct investment, indigenous investment and future employment trends. It will incorporate measures for the protection and enhancement of the natural and historic environment. It will contribute to the creation of a safe and sustainable, community with good access to jobs and key services.

We will continue to develop the Borough so that people will want to visit, live and work in it, where they feel safe and where their local environment is protected and enhanced.

We will use the statutory powers of environmental health, building control and planning to improve the quality of life and health, safety and welfare of those living and working in the Borough.

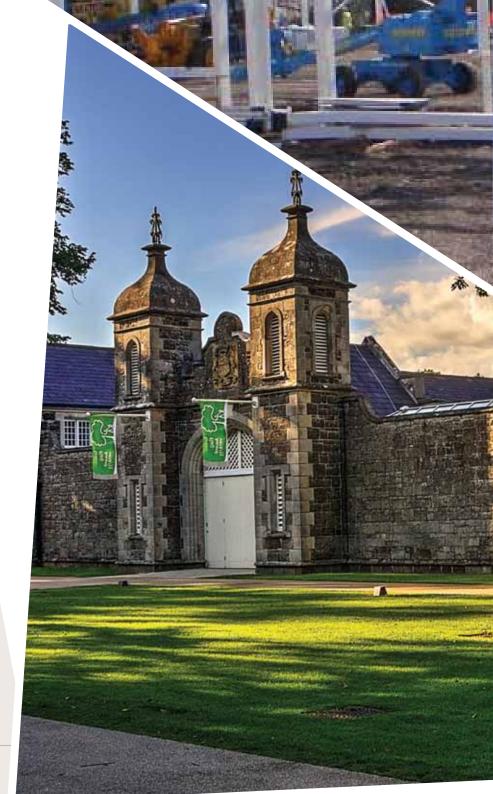

We will support communities and empower residents to take responsibility for their environment so that people will be united by a strong sense of pride in their place.

#### We will have succeeded if:

- People take pride in their surroundings.
- People feel safe.
- Our environment, natural habitats and built heritage are protected and enhanced.
  - We have vibrant and welcoming towns, villages, neighbourhoods, and rural areas.
    - We have an efficient planning process that promotes positive development and sustainable growth.

#### We will measure this by:

- Residents who feel proud in their surroundings.
- Usage of and satisfaction with Council parks and public spaces.
- Achievement of Green Flag Accreditation across Council sites.
- The level of street and environmental cleanliness (i.e. less graffiti, litter, dog fouling and fly-tipping).
- Performance in the Cleaner Neighbourhood's benchmarking report.
- Performance against the Council's quality management standards.
- The number of groups involved in enhancing and improving their 'Place'.
- Recognition and awards which demonstrate pride in our place.
- The number of Environmental Health interventions that promote and enforce safety.
- The number of building regulation inspections.
- Processing times for Building Control and Environmental Health services.
- Satisfaction with the provision of Building Control and Environmental Health services.
- People believing that Antrim and Newtownabbey is a safe place.
- A timely and effective response to emergency incidents.
- The development of a Local Biodiversity Action Plan.
- Performance in the NI Environmental Benchmarking Survey.
- The retention of the Environmental Management Standard ISO 14001.
- Monitoring and where possible reducing the level of CO2 emissions and energy consumption for Council facilities.
- Compliance with Energy Performance of Building Directive.
- The level of investment in regeneration projects for our towns, villages and neighbourhoods.
- The NIEA Protocol for the Care of the Government Historic Estate is used as best practice guidance in the management of Council owned heritage assets.

To be an area where people choose to live, employers choose to locate and where residents enjoy a high quality of life. Through our leisure provision and other commitments we will continue to support initiatives to improve the health and well-being of our citizens. The Community Planning process will provide a vehicle for collaboration and we are committed to working with our partners to streamline service delivery and share resources.

A place where our people work together to encourage a culture of equity, diversity and respect. We will support and enrich the knowledge and skills of the community and voluntary sector to address disadvantage and promote opportunities.

Our customers remain our highest priority and we will continue to improve the way we interact with them. We are committed to offering responsive, accessible services, delivered in a consistent and high quality manner. We will strive to ensure more of our services are 'digital by default' so that customers can self-serve a range of council services at a time and place that suits them. At the same time we will ensure that the most vulnerable in our community can still access our services in a way that suits their individual needs.

We will continue to meet our recycling targets, promoting waste prevention and recycling and encouraging residents to take responsibility for managing their waste in a more sustainable way.

#### We will have succeeded if:

- We deliver high quality Council services and improve access for people, communities and businesses in the Borough.
  - The support we provide will lead to a more active, healthy and empowered community.
    - Communities and agencies work together to plan and deliver better services, address disadvantage and improve the quality of life for everyone.
      - Our community is inclusive and supportive and encourages a culture of equity, diversity and respect.

- We communicate clearly with our residents, listen to their feedback and respond to their needs. Customers increasingly use the Council's digital platforms and can self-serve a wider range of council services.
- People choose to reuse or recycle their waste.
- We achieve excellence in customer and service quality standards and this will be recognised through accreditation schemes and awards.

#### We will measure this by:

- Customer satisfaction with tourism, leisure, parks, community facilities and events.
- Level of engagement with residents.
- The number taking part in Council run health initiatives.
- Usage levels of tourism, leisure, parks and community facilities.
- Funding awarded through Council leisure, arts, community and culture grants.
- The value of referrals to the Affordable Warmth programme.

- The percentage and amount (tonnage) of municipal waste going to landfill.
- Customer satisfaction with the Council's Waste and Recycling Service.
- The number of Council Awards/Accreditations for which the Council has achieved or been shortlisted for.

We will encourage and support economic growth in our Borough to create a vibrant and prosperous economy. We will support the start-up of more businesses, the expansion of indigenous businesses and attract investment through collaboration. We will deliver economic growth by promoting entrepreneurship, social enterprise, innovation and internationalisation and promote skills development to meet the future needs of local business.

We will make our Borough more attractive for our residents, investors and visitors through the investment in regeneration projects, maximising the tourism potential of our visitor attractions and arts and cultural offering. We will continue to build on the strengths of our area to achieve economic prosperity.

#### We will have succeeded if:

- We have a world class infrastructure which supports the expansion of indigenous businesses, attracts investment and supports productivity, exports and business growth and acts as a centre of excellence for global companies.
  - We will identify and support entrepreneurs and have a strong competitive business advantage

which sustains existing jobs and creates new employment opportunities.
