REPORT ON BUSINESS TO BE CONSIDERED AT THE COMMUNITY PLANNING & REGENERATION COMMITTEE MEETING ON MONDAY 11 MARCH 2019

ITEMS FOR DECISION

3.1 AC/GEN/14 TOURISM NI QUALITY GRADING SCHEME

Members are advised that Tourism Northern Ireland (TNI) operates a Quality Grading Scheme for visitor attractions, which gives operators an independent quality assurance award. The scheme is a practical example of TNI's commitment to increasing visitor numbers and experiences through developing a quality experience.

There are five-quality grades awarded for the standard of services and facilities and are represented like hotels by 1 to 5 stars, which convey the following standards:

- **Five Stars Outstanding**
- **Four Stars Excellent**
- **Three stars Very Good**
- **Two Stars good**
- **One Star Acceptable**

Assessments are carried out without advance warning through in the main incognito visits by assessors but also with pre-visit research online and on the telephone. Having identified the scheme as an excellent tool in the ongoing continuous improvement strategy applications for Antrim Castle Gardens, Sentry Hill and Museum at The Mill were submitted to TNI in 2018 at a cost of £450 or £150 per site.

Grading reports and results for all three sites have now been received and are **enclosed** for Members' information. Grades have been awarded by TNI as follows:

- **Antrim Castle Gardens: An Excellent or Four Star Rating**
- **Sentry Hill: A Very Good or Three Star Rating and**
- **Museum at The Mill: A Good or Two Star Rating**

In terms of the individual scores Antrim Castle Gardens scored 81% and was only 3% away from achieving the Outstanding Five Star Rating with slight improvements to the contracted catering service as well as the online presence required to pick up the required extra marks.

Sentry Hill scored 80% overall, which is a comfortable four star however a 'rider' score below what is required for four stars has reduced overall grade to three stars. In addition to the star rated grading bands key elements of the experience such as Arrival. Toilets etc., must achieve a minimum score before grades are confirmed and TNI refer to these as 'rider' scores. Museum at The Mill similarly scored an overall score of 76% or a comfortable three star score however, car-parking management and visitor experience of the Mill catering

contract service brought some rider scores below the required three star standard so the overall grade awarded was two stars.

The assessment reports are excellent tools to support the ongoing strategy to continuously improve visitor experiences and it is proposed to remain in this scheme and apply for reassessment of the facilities in 2019/20 at a cost of £150 per site with a view to improving upon scores achieved in 2018. The outcome of the 2019 assessments will be reported to a future meeting of the Committee.

RECOMMENDATION: that the results of the TNI Quality Grading for Antrim Castle Gardens, Sentry Hill and Museum at The Mill be noted and participation in the scheme annually at a cost of £150 per site be approved with the outcome brought back to a future meeting of the Committee.

This week of activity would be delivered in partnership between the Lough Neagh Partnership and Queen's University Belfast Centre for Archaeological Fieldwork and would feature free activities such as:

- Log Boat Construction

Queen's will provide resources in terms of numerous professional staff, volunteer t-shirts and event insurances. The week long programme will be aimed at both schools, community and general public and there is an opportunity to build family entertainment around the final day on the Saturday, which would broaden the appeal to family audiences.

3.9 AC/GEN/50 ARTS AND CULTURE TEMPORARY EXHIBITION POLICY

Members are reminded that the Arts and Culture Temporary Exhibition Policy was approved by the Operations Committee in March 2017. The main exhibition facilities are The Flax Gallery, Mossley Mill, the Oriel Gallery and Conservatory Gallery, Clotworthy House, Antrim Castle Gardens. However on occasion other spaces such as the Garden Heritage Space at Clotworthy, Theatre at The Mill foyer and the main exhibition area in Museum at The Mill are also used to host temporary exhibitions when it is appropriate.

The purpose of this policy is to provide guidance for the organisation of temporary exhibitions for both those planned and funded internally and those organised by external individuals and groups. The Policy sets out its statement of purpose, objectives, guidance for the programming and selection of temporary exhibitions as well as the responsibilities of both the arts and culture service and exhibitors and sales commission guidance.

Members are advised that this policy has recently been reviewed and an updated draft of the revised policy is **enclosed** for Members' information. The Borough Arts and Culture Advisory Panel were consulted as part of the review and the key revision being proposed is that in terms of the process for Exhibition Selection the draft exhibition programme, which is developed by officers on a rolling basis, will be brought to the quarterly meeting of the Arts Panel for approval. However this clause does permit for exhibitions which come in at short notice to be approved by the Arts and Culture team in line with the Policy and brought to the Panel retrospectively.

The revised policy also includes a clause stating that the Council reserves the right to cancel or relocate any exhibition should the need arise and in such cases as much notice as possible will be given to exhibitors.

The Policy has been equality screened with a copy of the screening form **enclosed** for Members' information. It does not need to have an Equality Impact Assessment carried out. Rural Proofing has also been carried out and the form is **enclosed** for Members' information.

RECOMMENDATION: that

3.11 CP/CD/283 IPB PRIDE OF PLACE AWARDS 2019

Members are reminded of The Annual IPB Pride of Place Awards in association with Co-Operation Ireland the aim of which is to recognise the efforts and endeavours of communities throughout the Island of Ireland to make their place the best place in which to live. In 2018 the Council nominated two groups for an award: Rathfern Social Activity Centre who received a runners up award and Antrim Youth Information and Counselling Centre who received a Certificate of Participation.

This year there are 12 categories in total; 5 Population categories, 4 Single Issue categories with designated themes, a Housing Estates category, an Islands and Coastal Communities category and an Urban Neighbourhood category. The Council can nominate groups in up to a maximum of five categories in all and one entry only in any individual category. The categories are listed below for Members' consideration:

Population

1. 0 - 300
2. 300 - 1,000
3. 1,000 - 2,000
4. 2,000 - 5,000
5. Over 5,000

Theme

6. Creative Place Initiative
7. Community Wellbeing Initiative
8. Age Friendly Initiative
9. Community Tourism Initiative

Non Population

10. Housing Estates
11. Islands and Coastal Communities
12. Urban Neighbourhoods

Entry to the competition is by way of Council nomination. To nominate a group, a short application form has to be completed by the Council and submitted along with a short resume of the groups work and how it meets the entry criteria.

An assessment visit by Pride of Place Judges will take place in July/August 2019 where nominees will demonstrate pride in their place by oral presentation, exhibition of community activities and culture and a tour of the area highlighting the aspects of which they are particularly proud. During this visit it is also important that the community demonstrates real partnership with their local Council and shows that all sectors of the community are included.

Successful nominees will be announced at the Gala Dinner and Awards Ceremony in November 2019. At this event Category Winners will receive a large trophy and a cash prize of €1,000 or sterling equivalent. Runners-up will also receive a trophy and a cash prize of €500 or sterling equivalent. The entry

fee per Council this year is £2,600, provision for which has been made within the Community Services budget. The closing date for nominations is Friday 3 May 2019.

The Gala Dinner and Awards Ceremony will be held on Saturday 30 November 2019 in the Lyrath Estate Hotel, Kilkenny. Fourteen complimentary tickets will be made available for this event with guidance that they are to be distributed as follows: 2 tickets per nominated group with the remaining 4 tickets being allocated to Councillors/Council Officers. A separate invitation will be issued to the Chief Executive.

As the venue is approximately a 3 - 4 hour journey from the Borough it is proposed that the Council provides the financial assistance to cover the cost of 1 nights' accommodation to include bed and breakfast per attendee. Hotel accommodation costs in Kilkenny have been researched. The total accommodation costs have been estimated at approximately £2,100 for 14 attendees, provision for which has been made in the existing Community Services Budget.

It is proposed that the Mayor and the Chairperson of the Community Planning and Regeneration Committee or their nominees and 2 appropriate Council officers attend the Gala Dinner and Awards Ceremony along with the 10 group representatives.

Co-operation Ireland has advised that the nominated groups may invite additional members to the event, however, should the groups avail of this all costs would be paid for separately by the participants. Transportation to and from the event will be the responsibility of the individuals attending.

Officers would propose that the following groups are nominated for the 2019 competition:

- The Bridge Association
- Tidy Randalstown
- Whiteabbey Community Group
- Carnmoney Presbyterian Church
- Newtownabbey Senior Citizens Forum

Members may wish to nominate alternative and/or additional groups.

A short summary of the work of each of the groups is included below for Members information.

Tidy Randalstown is an environmental group established in 2012 by a number of local people who were concerned about the deteriorating state of Randalstown and in particular the accumulating amounts of litter in the area. The main objective of the group is to encourage and inspire people to work together to improve the environment and make Randalstown a good place to live and work. The group now has over 80 volunteers and has won a number of awards including The Royal Horticultural Society Britain in Bloom Gold Medal in 2017 and Irelands Best Kept Small Town Award and Best Kept Town overall in 2018.

The Bridge Association in Antrim provides vocational training opportunities for adults with learning disabilities aged 18 plus in a variety of areas such as Information Technology, Business Administration, Retail, Food Hygiene, Independent Living Skills and Horticulture. In an effort to secure work placements and full time employment opportunities for their trainees the Association continues to negotiate with the local business sector and adopts a pro-active approach in identifying social economy opportunities the most recent being the establishment of the Quirky Emporium in 2017. This Association isn't just a lifeline for the trainees, it offers much needed respite to the families of those with special needs.

Carnmoney Presbyterian Church is involved in a variety of projects which benefit the local community such as a job club, debt advice and a foodbank in partnership with other Churches in the area. The foodbank helped over 3000 people last year.

Newtownabbey Senior Citizens Forum is open to people aged 50+ in the Newtownabbey Area. The Forum provides a range of weekly activities to support mental and physical wellbeing of members and older people in the wider community. The Forum secured funding for 3 years from the Big Lottery Communities Fund in June 2017 to support 2 core staff and a programme of activities to include older people in Antrim.

The programmes delivered at a local level by all of the above nominee groups helps to build community capacity, promote social inclusion and instil a greater sense of community ownership and civic pride within the respective areas. Not taking into consideration all previous nominees to the IPB Pride of Place Awards the above four groups, at this moment in time, have been identified as those which best meet the aims and objectives of the 2019 awards criteria however Members may wish to nominate alternative and/or additional groups within their respective areas By Friday 29 March 2019.

RECOMMENDATION: that

- (i) Members approve the 5 proposed groups for nomination to the 2019 Pride of Place Awards. Members should inform Officers of any additional requests for nominations no later than 29 March 2019.**
- (ii) The Mayor and Chairperson of the Community Planning & Regeneration Committee or their nominees and 2 relevant Council Officers attend the Gala Dinner and Awards Ceremony.**
- (iii) Members approve an amount of up to £2,100 to cover 1 nights' Bed and Breakfast accommodation for the 14 attendees in Kilkenny.**

4.2 CP/PCSP/042 PCSP ADDENDUM TO LETTER OF OFFER 2018/19

Members are reminded that Antrim and Newtownabbey Policing and Community Safety Partnership (PCSP) receives an annual Letter of Offer from the Joint Committee (Department of Justice and Northern Ireland Policing Board).

A formal letter of offer was received on 6 June 2018 and the Joint Committee agreed a budget of £303,540 to administer and run the activities of the PCSP, and £18,000 to fund Members' meeting expenses in 2018/19.

The Joint Committee have been carrying out ongoing monitoring of PCSP expenditure and similar to previous years, expenditure relating to the Meeting Expenses budget remains significantly less than the allocation. The Joint Committee have recognised that this underspend is largely due to some members not claiming their payments and the increasing number of independent member vacancies across PCSPs.

In November 2018, the Joint Committee requested all PCSP's to review Members' meeting expenses and to calculate an anticipated underspend of their Members' meeting expenses budget. Antrim and Newtownabbey PCSP surrendered £2,000 from the Members' meeting expenses budget, following a projected expenditure exercise. As a result, a total of £70,500 was declared across all PCSPs in relation to Members' meeting expenses.

In considering options for re-profiling, The Joint Committee asked PCSPs if they had capacity to spend additional funding under their operational budget by the end of the financial year, a copy of the letter is **enclosed**. Antrim and Newtownabbey PCSP agreed to accept the additional funding at the Partnership meeting in January 2019.

Following agreed budget re-profiling associated with the declared regional underspend of the PCSP Members' meeting expenses budget, the Joint Committee have approved the amendment of Antrim and Newtownabbey PCSP 2018/19 budget and issued an addendum to the existing 2018/19 Letter of Offer. Find **enclosed** Letter of Acceptance to the 2018/19 Letter of Offer Addendum.

Antrim and Newtownabbey PCSP newly revised 2018/19 budget is as follows; £309,253 to administer and run activities of the PCSP; and £16,000 to fund Members' meeting expenses.

RECOMMENDATION: that the report be noted.
