4 ITEMS FOR DECISION

4.1 CP/PP/010 CP/PP/006 PEACEPLUS LOCAL COMMUNITY ACTION PLAN

1. Purpose

The purpose of this report is to seek Members approval for the submission of the PEACEPLUS Co-designed Local Community Action Plan to the Special European Union Programmes Body (SEUPB), the Section 75 Equality Screening and Rural Proofing carried out for the development of the Plan and to seek approval of the minutes from the PEACEPLUS Partnership meeting held on 13 February 2024.

2. Introduction/Background

Members are reminded that PEACEPLUS is the new €1.1 billion cross-border funding programme created to strengthen peace and prosperity within and between the border counties of Ireland and Northern Ireland. PEACEPLUS is the successor programme to both Peace IV and INTERREG VA.

The programme has been divided into six themes

1. Building Peaceful and Thriving Communities
2. Delivering Socio-Economic Regeneration and Transformation
3. Empowering and Investing in our Young People
4. Healthy and Inclusive Communities
5. Supporting a Sustainable and Better Connected Future
6. Building and Embedding Partnership and Collaboration

Each new programme aims to address longstanding social and economic challenges which have and continue to impact upon communities. Within each theme there are several investment areas - these will have a more specific focus and target specific organisations such as local authorities or community groups.

Members are advised that Theme 1 'Building Peaceful and Thriving Communities' aims is to unite communities, help them rebuild and learn from a difficult past. Under Theme 1 and Investment Area 1.1 'Co-designed Local Community Action Plans' Local Councils across Northern Ireland and the border counties have been invited to submit applications to the Special European Union Programmes Body (SEUPB) to secure funding to deliver against the actions identified in each Local Community Action Plan.

3. Previous Decision of Council

Members are reminded that it was approved at the December Community Planning Committee that the PEACEPLUS Partnership would review the draft Local Community Action Plan to ensure it met the updated application guidance provided by SEUPB for applications under Theme 1.1, Co-designed Local Community Action Plans and that the closing date for applications had been extended to Thursday 28 March 2024.

4. Co - Design

Following an extensive engagement and co-design process with 681 participant responses, Third Sector Connect, were appointed in July 2023 to provide consultancy support to continue with, and conclude, Phase Two of the targeted consultation and commence development of the Local Community Action Plan.

The consultants delivered a series of workshops to the PEACEPLUS Partnership during September and October 2023 providing a broad overview of the co-design outcomes that had emerged during the consultation and engagement process, including where available, project proposals.

A total of nine, large scale, cross cutting programmes have been developed across the three themes – with three programmes per theme which will address the high level thematic areas identified through the consultation, as follows:

Theme 1: Local Community Regeneration and Transformation (Capital works)

Programme 1: Our Historical Borough	A capital based programme for heritage projects resulting in Borough-wide historic connectivity
Programme 2: Our Active Borough	A capital based programme to create new activity based facilities across the Borough which will encourage residents to be more active and connected
Programme 3: Our Shared Borough	A capital based programme to enhance community facilities

Theme 2: Thriving and Peaceful Communities (Resource)

Programme 4: Our Shared Borough	A capacity building programme for the community and voluntary sector, designed to identify and form new groups, grow and develop existing groups and support groups in the future
Programme 5: Our Active Borough	An active participation programme for a range of activities including mainstream sports, emerging sports, arts, culture, music, drama and crafts, mental wellbeing, and volunteering
Programme 6: Our Future Borough	A community skills building programme comprising two strands: 1. Personal Development; 2. Community Education and Learning

Theme 3: Building Respect for All Cultural Identities (Resource)

Programme 7: Our Historical Borough	A resource programme linked to Programme 1, providing groups and individuals with the skills, accredited training and qualifications, to ensure local ownership of heritage sites, and ensure a professional historical offering across the Borough.
Programme 8: Our Inclusive Borough	An identity programme to promote understanding and acceptance of self and others
Programme 9: Our Future Borough	An international and cross border learning programme to create learning and development opportunities, enhance understanding, tolerance and empathy

5. Financial Position/Implication

Under Theme 1.1, Local Community Action Plans, The Council has been allocated €5,103,757 which is approximately £4.3 million.

4.8 CP/CD/472 BONFIRE MANAGEMENT PROGRAMME 2024

1. Purpose

The purpose of this report is to seek Members approval for the delivery of the 2024 Bonfire Management Programme.

2. Background

Council operates a Bonfire Management Programme which seeks to achieve the following key objectives in relation to family fun events and bonfire sites:

- To work with and support local communities to bring about improvements in bonfire management, particularly in terms of inclusivity, safety and increased family atmosphere;
- To further reduce the adverse health and environmental impacts of bonfires including the illegal disposal of waste.

The Programme, in the longer term, aims to:

- Reduce the use of flags, images and effigies
- Promote wider cultural links throughout the Borough
- Tackle sectarianism, racism, homophobia and other forms of prejudice.

3. Previous Decision of Council

Members are reminded that a review of the Bonfire Management Programme was completed in February 2023 and approved by the Council in March 2023 with a budget of £3,500 per site for family fun day/festival activities agreed. In 2023, 23 sites signed up to the Bonfire Management Programme.

4. 2024 Programme Delivery

On 15 February 2024 Officers met with Bonfire Representatives from across the Borough to receive feedback in relation to the 2023 programme and to identify any issues that may exist in advance of the registration of participating sites for the 2024 programme. A similar meeting was held with Elected Members at which feedback from the site representatives meeting was presented and discussed.

In summary, across both meetings, there was a general consensus that the aims and objectives of the programme, as outlined in the Framework Document **enclosed**, and the way in which it is currently delivered is still fit for purpose. Specific issues were raised at the meetings in relation to:

- Procurement of Inflatables – Council should continue to ensure that value for money is being achieved.
- Hire of Event Infrastructure – Items of equipment which cannot be collected from the sites on the same day of the event such as barriers, generators etc. should no longer be procured directly by the Council but by the group themselves. Responsibility for such items will remain with the

group until collected by the supplier. Upon submission of the relevant receipts/invoices and bank statements the group will be reimbursed by the Council for the cost of items hired.

- Deposit for the Booking of Live Acts – In 2018 a 50% advance payment for the booking of Live Acts was approved but never taken up. One group this year expressed the need to avail of this arrangement.
- Financial Assistance – The budget of £3,500 per site to remain for 2024.

5. Equality Screening

The Bonfire Management Programme was equality screened in May 2018 and since then there have been no material changes to the programme therefore this screening still applies.

6. Sign Up and Inspection Dates

In preparation for the delivery of the 2024 Bonfire Management Programme, Officers are preparing registration packs for completion by all potential participating sites. Sign up events have been scheduled to take place in Antrim Civic Centre and Mossley Mill on Thursday 18 April and Friday 19 April 2024 respectively and the collection date has been proposed as Friday 17 May 2024.

Interagency site inspections, which will be carried out by Officers and Statutory Partners, have been agreed as follows:

Pre-Collection – Thursday 16 May 2024 (Council Officer Only)

First Inspection – Friday 31 May 2024

Second Inspection – Friday 21 June 2024

Final Inspection – Wednesday 10 July 2024

Early indications suggest that 24 sites will sign up to participate in this year's programme.

Two representatives from each site have been invited to attend a 4 week OCN Level II Course in Events Management commencing Wednesday 6 March 2024.

7. Financial position

Members are advised that £80,500 for the family fun events and £65,000 for the provision of beacons, maintenance and repairs to designated sites has been included in the Community Events budget for 2024/25 for the delivery of the Bonfire Management Programme.

The Northern Ireland Housing Executive (NIHE) have indicated that they will be providing £30,000 of funding towards the cost of the programme, which would reduce the cost to £115,500. A formal letter of offer is yet to be received.

8. Summary

Following the registration of sites on Thursday 18 April and Friday 19 April 2024 a further report will be brought to a future Community Planning Committee Meeting.

3. Previous Decision of Council

Members are advised that a proposal for the ceremonial lighting of beacons at Mossley Mill and Antrim Castle Gardens at 9.15pm on Thursday 6 June 2024 to commemorate D-Day was approved at the November 2023 Community Planning Committee. Officers were also asked to consider lighting beacons in the other five DEAs.

Members were advised at this meeting that a report would be brought to a future Committee meeting recommending further D-Day related events for the Borough.

4. Beacon Lighting

Members are advised that in order to light a ceremonial beacon in each DEA, five beacons would need to be hired to supplement the two owned by the Council. The total cost of hiring these five beacons and providing a bugler, piper and staff for all seven events would be approximately £5,850. Given the additional cost which is not provided in the 2024/25 budgets it is proposed not to proceed with any additional beacon lighting.

5. Additional D-Day Activity

Members are advised that the following additional event is planned to commemorate the 80th anniversary of D-Day:

- **Sentry Hill House exhibition and family day.** An exhibition of WWII memorabilia at Sentry Hill House is proposed from 5-24 June. In addition, a family day is proposed for Sentry Hill on Saturday 8 June which will include a military display given by 1919 Newtownabbey RAF Air Cadets Squadron, a musical tribute to Dame Vera Lynn, a Living Library organised by local military veterans, and WWII-themed crafts for children.

- Members are aware that the Council is hosting Armed Forces Day 2024 on 22 June 2024 and the theme for the events is Veterans and D Day. As part of this event it is planned to unveil a large perspex representation of the flotilla gathered in Belfast Lough prior to departing for France in June 1944.

6. Financial implications

The budget for Armed Forces Day was approved at the June 2023 Council meeting, and is included in the 2024/25 estimates.
