
Consultation Period

Antrim and Newtownabbey Borough Council has published its draft Plan Strategy, the first formal stage of the new Local Development Plan 2030, for public consultation.

The draft Plan Strategy is the first of two documents, which comprise the Local Development Plan 2030. It has been developed following extensive engagement with the public, stakeholders and our elected Members, including the publication of our Preferred Options Paper.

The draft Plan Strategy sets out how our Borough will grow and change up to the year 2030. It puts forward our Plan Vision for the future. It also contains a Spatial Growth Strategy indicating at a strategic level where growth should go in the Borough. It also sets out a range of Strategic Policies and Detailed Management Policies, which together will guide future planning decisions.

The draft Plan Strategy is published for formal public consultation over an 8-week period and the Council is inviting the submissions of representations, beginning on **Friday 26 July and closing on Friday 20 September 2019 at 5pm.**

The submission of representations in relation to the Council's draft Plan Strategy provides an opportunity for the public to influence the policies and proposals for the future planning and development within Antrim and Newtownabbey.

Please note that representations received after the closing period will not be accepted and will be subsequently returned.

Published alongside the draft Plan Strategy are a range of assessments including Sustainability Appraisal (incorporating the Strategic Environmental Assessment), a draft Habitats Regulation Assessment and an Equality (Section 75) Screening and Rural Needs Impact Assessment Report. These assessments are also subject to public consultation during the formal public consultation period closing on Friday 20 September 2019 at 5pm.

Copies of the draft Plan Strategy and all supporting documents are available to view and download from our website at:

www.antrimandnewtownabbey.gov.uk/draftplanstrategy.

Copies of all documents are also available for inspection at the Council Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8.30am to 5pm. Hard copies of the draft Plan Strategy are also available upon request.

Soundness Testing

A key feature of Northern Ireland's new Planning System is 'Soundness' which requires the draft Plan Strategy document to be tested at Independent Examination (IE) in terms of content, conformity and the process by which it has been prepared. Derived from established practices in England and Wales, it is considered that 'Soundness' testing will provide a more effective basis for examining Local Development Plans and consequently contribute towards a shorter IE process.

The purpose of the IE is to determine if the draft Plan Strategy satisfies statutory requirements and is 'sound'. The presumption will be that the draft Plan Strategy is 'sound' unless it is shown to be otherwise as a result of evidence considered at the IE stage.

The tests of soundness are based upon three categories which relate to how the draft Plan Strategy has been produced, the alignment of the document with central government regional plans, policy and guidance and the coherence, consistency and effectiveness of the content of the draft Plan Strategy. The tests of soundness are set out below:

Procedural Tests	
P1	Has the DPD* been prepared in accordance with the Council's timetable and the Statement of Community Involvement?
P2	Has the Council prepared its Preferred Options Paper and taken into account any representations made?
P3	Has the DPD been subject to sustainability appraisal including Strategic Environmental Assessment?
P4	Did the Council comply with the regulations on the form and content of its DPD and procedure for preparing the DPD?
Consistency Tests	
C1	Did the Council take account of the Regional Development Strategy?
C2	Did the Council take account of its Community Plan?
C3	Did the Council take account of policy and guidance issued by the Department?
C4	Has the Plan had regard to other relevant plans, policies and strategies relating to the Council's district or to any adjoining Council's district?
Coherence and Effectiveness Tests	
CE1	The DPD sets out a coherent strategy from which its policies and allocations logically flow and where cross-boundary issues are relevant it is not in conflict with the DPDs of neighbouring Councils.

CE2	The strategy, policies and allocations are realistic and appropriate having considered the relevant alternatives and are founded on a robust evidence base.
CE3	There are clear mechanisms for implementation and monitoring.
CE4	It is reasonably flexible to enable it to deal with changing circumstances.
*Development Plan Document (DPD) – Comprises of the draft Plan Strategy	

Further information on Soundness can be found in Development Plan Practice Notes published by the Department for Infrastructure (DfI). Of particular relevance is Practice Note 6 'Soundness' (Version 2) and Practice Note 9 'Submission and Handling of Representations', both are available to view at <https://www.infrastructure-ni.gov.uk/publications/development-plan-practice-notes>.

In addition, the Planning Appeals Commission has also produced guidance entitled 'Procedures for Independent Examination of Local Development Plans' available at <https://www.pacni.gov.uk/procedural-guides>.

Making a Representation

As the main purpose of the IE is to determine whether the Development Plan Document (DPD) is 'sound', any person(s) wishing to make a representation to any part of the Plan should do so on the grounds of soundness. Any representation proposing a change to the Plan must demonstrate why the document is not sound having regard to the tests of soundness. Every representation should say precisely how the Plan should be changed in order to achieve soundness and should be supported, succinctly, by all the evidence thought necessary to justify the proposed change. Once the public consultation period has closed, **there will be no further opportunity to submit information unless the Commissioner requests it.**

Where several people share a common view on how the draft Plan Strategy should be changed, we encourage you to co-operate with each other, pool resources and make a single representation, for example, a local community group.

Those who make representations to the draft Plan Strategy should state whether they wish to have their representation considered at IE in writing or as an oral hearing. Unless people specifically request an oral hearing, the Commission will proceed on the basis that you are content that your representation will be considered in writing. The Commissioner will give every representation the same careful consideration regardless of whether the person who made it is heard orally or in written form.

Points to Remember:

- Representations will be made publicly available for inspection at the Council's Offices and online for counter-representations;
- Complete all relevant sections of the response form;
- Clearly state why you consider the draft Plan Strategy to be 'unsound', having regard to the soundness tests;
- There will be no further opportunity to submit information once the public consultation period closes unless the Commissioner requests it;
- We would encourage you to submit separate forms for each representation you wish to submit;
- Every representation should say precisely how the draft Plan Strategy should be changed in order to achieve soundness;
- Representations should be supported, succinctly, by all the evidence thought necessary to justify the proposed change; and
- Clearly, state whether you wish for your representation to be heard orally or in writing.

Submitting Your Representation

We recommend that you submit your representation via our on-line consultation hub, at www.antrimandnewtownabbey.gov.uk/consultations, as this is the most efficient way to make a representation.

However, you can make a representation by completing this form and returning to us by **5pm on Friday 20 September 2019** either by email or by post.

Representations received after the closing period will not be accepted and will be subsequently returned.

What Happens Next

When the consultation has closed, the Forward Planning Team will collate the representations received and as soon as reasonably practicable, publish these online for a further 8-week period of consultation to allow counter-objections to be made. The representations will also be available for public inspection during this period at the Council's Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8:30am to 5pm.

Once this period of counter-representations has closed, the Forward Planning Team will collate the counter-representations and publish these online. They will also be made available for public inspection at the Council's Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8:30am to

5pm. The next anticipated step will be for the Council to contact the Department for Infrastructure to request an Independent Examination of the draft Plan Strategy.

SECTION A – DATA PROTECTION AND CONSENT

Antrim and Newtownabbey Borough Council complies with the General Data Protection Regulation (GDPR) by producing a specific Local Development Plan Privacy Notice, which lets you know how we manage any personal information we receive from you. It contains the standards you can expect when we ask for, or hold, your personal information and an explanation of our information management security policy.

The Local Development Plan Privacy Notice can be found on our website at www.antrimandnewtownabbey.gov.uk/gdpr/planning-gdpr/.

Please note that when you make a representation (or counter-representation) to the Local Development Plan your personal information (with the exception of personal telephone numbers, signatures, email addresses or sensitive personal data) will be made publicly available on the Council's website.

Copies of all representations will be provided to the DfI and an Independent Examiner (a third party) as part of the submission of the Local Development Plan for Independent Examination. A Programme Officer will also have access to this information during the IE stages of the Plan preparation

DfI, the Programme Officer the Independent Examiner will, upon receipt, be responsible for the processing of your data in line with prevailing legislation.

1. Please tick to confirm that you have read and understood the Council's Local Development Plan Privacy Notice.
 - ✓ I confirm that I have read and understood the Local Development Plan privacy notice and I give my consent for Antrim and Newtownabbey Borough Council to hold my personal data for the purposes outlined.

You can contact the Council's Data Protection Officer via:

Post - Antrim Civic Centre, 50 Styles Way, Antrim BT41 2UB

Email - DPO@antrimandnewtownabbey.gov.uk

Phone - 028 9446 3113

SECTION B – YOUR DETAILS

2. Please specify if you are responding as an individual, as an organisation, or as an agent acting on behalf of an individual, group or organisation?

If you are responding as an agent or representing an organisation you will be the main point of contact for your client/organisation.

(Please select only one item)

- Individual
- Organisation
- Agent

	Personal Details	Agent Details (If Applicable)
Title		Mr
First Name		Alan
Last Name		Farningham
Job Title (where relevant)		Director
Organisation (where relevant)		Farningham Planning Ltd
Client Name (where relevant)	Flaxall Holdings Ltd	
Address	c/o Agent	The Bourse 47 Timberbush Leith Edinburgh
Post Code		EH6 6QH
Telephone Number		0131 555 7578
Email Address		alan.farningham@farmac.co.uk

SECTION C – REPRESENTATION

Your comments should be set out in full. This will help the Independent Examiner understand the issues you raise. You will only be able to submit further additional information to the Independent Examination if the Independent Examiner invites you to do so.

3. To which part of the draft Plan Strategy does your representation relate?

i) Paragraph Number: _____

ii) Policy Heading: **Strategic Policy 4: Homes**

➤ Strategic Policy (SP) Paragraph Number: **SP 4.3 and SP 4.4**

➤ Detailed Management Policy (DM) Paragraph Number:

iii) Page Number in Document: **Pages 134 - 135**

iv) Proposal Map (if relevant state location): **Ballyclare**

4. Do you consider the draft Plan Strategy to be:

'Sound' (i.e. support)

'Unsound' (i.e. object)

5. If you consider the draft Plan Strategy to be '**SOUND**' and wish to support the draft Plan Strategy, please set out your comments below.

[Empty rectangular box for text input]

(Continue on a separate sheet if necessary)

6. If you consider the draft Plan Strategy to be **'UNSOUND'** please identify which test(s) of soundness your representation relates to having regard to the

Department for Infrastructure's published Development Plan Practice Note 6 'Soundness' (Version 2).

Soundness Tests:

- P1** - Has the DPD¹ been prepared in accordance with the Council's timetable and the Statement of Community Involvement?
- P2** - Has the Council prepared its Preferred Options Paper and taken into account any representations made?
- P3** - Has the DPD been subject to sustainability appraisal including Strategic Environmental Assessment?
- P4** - Did the Council comply with the regulations on the form and content of its DPD and procedure for preparing the DPD?
- C1** - Did the Council take account of the Regional Development Strategy.
- C2** - Did the Council take account of its Community Plan?
- C3** - Did the Council take account of policy and guidance issued by the Department?
- C4** - Has the DPD had regard to other relevant plans, policies and strategies relating to the Council's district or to any adjoining Council's district?
- CE1** - Does the DPD sets out a coherent strategy from which its policies and allocations logically flow and where cross-boundary issues are relevant it is not in conflict with the DPD's of neighbouring Councils?
- CE2** - Are the strategy, policies and allocations realistic and appropriate having considered the relevant alternatives and are founded on a robust evidence base?
- CE3** - Are there clear mechanisms for implementation and monitoring?
- CE4** - Is it reasonably flexible to enable it to deal with changing circumstances?

¹ Development Plan Document (DPD) – Comprises of the draft Plan Strategy

Details

7. Please give details of why you consider the draft Plan Strategy to be '**UNSOUND**' having regard to the test(s) you have identified above. Please be as concise as possible.

Please Note: Your representation should be submitted in full and cover succinctly all the information, evidence, and any supporting information necessary to support/justify your submission. **This representation will be considered during the IE and here will be no further opportunity to submit information unless the Commissioner requests it.**

The following comments relate to housing land matters in Ballyclare.

While the proposed designation of Ballyclare as a 'Large Town' in the hierarchy of settlements is supported (see separate submission relating to this matter), it is considered that insufficient provision has been made for additional housing land during the Plan period to 2030.

Ballyclare falls as the third tier settlement, after Newtownabbey and Antrim. In accordance with the RDS, the Draft Plan Strategy allocates approximately 80% of the total housing growth to these three settlements. However, only 11% is allocated to Ballyclare. For the reasons articulated below, it is considered that this percentage allocation needs to be increased, given the specific strategic transport matter to be overcome.

Evidence Paper 6: Housing states that "*housing growth will, in the vast majority of settlements be provided through existing 'commitments' and 'windfall' and that on the whole, significant changes to existing development limits will not be required at Local Policies Plan stage to allow for extra housing land*".

As of the Plan base date (April 2015), over 80% of currently zoned housing land in Ballyclare remained undeveloped. The majority of this land lies to the west of the settlement.

While the accompanying Evidence Paper 2: Settlement Evaluation notes that "*there is considerable potential to grow the population as a consequence of the undeveloped housing land through existing commitments*", it also acknowledges that a number of large housing zonings "*will remain undeveloped until the Ballyclare Relief Road is constructed*".

It is understood that the Ballyclare Relief Road between Templepatrick Road and the Rashee Road is a non-strategic scheme that will be funded by developers. The need for the Relief Road to address traffic congestion in the town centre has been mooted for at least 15 years. Despite recent renewed attempts by the Department of Infrastructure to progress its delivery, only Phase 1 (the section between the A57 Templepatrick Road and the B95 Doagh Road and involving a bridge over the Six Mile Water)

has made any meaningful headway. In this respect, it is understood that planning permission has been granted for this section of the Relief Road as part of a wider development incorporating 270 new homes, a local centre and a public park.

While construction of this first section is expected to commence imminently, any meaningful progress on Phase 2 of the Relief Road (between the B95 Doagh Road and the B94 Rashee Road) is understood to be some years off.

On this basis, it is considered that additional housing land requires to be allocated in Ballyclare to allow for the very real risk that the current major allocations to the west of the settlement, that are predicated on the provision of the Relief Road, fail to come forward within the timescales envisaged. In this respect, the acknowledged growth potential of Ballyclare would be seriously and adversely impacted if a steady (and increasing) housing completion rate cannot be secured.

(Continue on a separate sheet if necessary)

Modifications

8. If you consider the draft Plan Strategy to be '**UNSOOUND**', please provide details of what, if any, modifications do you think should be made to the section, policy or proposal which your representation relates to? What specific modifications do you think should be made in order to address your representation? Please briefly state how your proposed alternative would meet the requirements of the Sustainability Appraisal and other published assessments.

The Plan Strategy needs to be modified in order to provide for sufficient flexibility in the event that the current major housing land allocations to the west of Ballyclare, which are predicated on the successful provision of the full Relief Road, do not materialise. In this regard, there is a need for the Plan Strategy to be written in a way that allows for Ballyclare's settlement boundary to be altered in the future to help facilitate replacement/supplementary housing elsewhere within the settlement area, the detail of which would be specifically addressed at the Local Policies Plan stage following detailed consideration of environmental and technical infrastructural matters (not exhaustive) such as flood risk, access, landscape, ecological and cultural heritage designations.

(Continue on a separate sheet if necessary)

9. If you are seeking a change to the draft Plan Strategy, please indicate how you would like your representation to be dealt with at Independent Examination:

Please Note: Unless you specifically request an oral hearing, the Commission will proceed on the basis that you are content to your representations considered in written form only. The Commissioner will give every representation the same careful consideration regardless of whether the person who made it is heard orally or not.

Please select only one item;

Written Representation

Oral Hearing
