

## Consultation Period

Antrim and Newtownabbey Borough Council has published its draft Plan Strategy, the first formal stage of the new Local Development Plan 2030, for public consultation.

The draft Plan Strategy is the first of two documents, which comprise the Local Development Plan 2030. It has been developed following extensive engagement with the public, stakeholders and our elected Members, including the publication of our Preferred Options Paper.

The draft Plan Strategy sets out how our Borough will grow and change up to the year 2030. It puts forward our Plan Vision for the future. It also contains a Spatial Growth Strategy indicating at a strategic level where growth should go in the Borough. It also sets out a range of Strategic Policies and Detailed Management Policies, which together will guide future planning decisions.

The draft Plan Strategy is published for formal public consultation over an 8-week period and the Council is inviting the submissions of representations, beginning on **Friday 26 July and closing on Friday 20 September 2019 at 5pm.**

The submission of representations in relation to the Council's draft Plan Strategy provides an opportunity for the public to influence the policies and proposals for the future planning and development within Antrim and Newtownabbey.

***Please note that representations received after the closing period will not be accepted and will be subsequently returned.***

Published alongside the draft Plan Strategy are a range of assessments including Sustainability Appraisal (incorporating the Strategic Environmental Assessment), a draft Habitats Regulation Assessment and an Equality (Section 75) Screening and Rural Needs Impact Assessment Report. These assessments are also subject to public consultation during the formal public consultation period closing on Friday 20 September 2019 at 5pm.

Copies of the draft Plan Strategy and all supporting documents are available to view and download from our website at:

[www.antrimandnewtownabbey.gov.uk/draftplanstrategy](http://www.antrimandnewtownabbey.gov.uk/draftplanstrategy).

Copies of all documents are also available for inspection at the Council Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8.30am to 5pm. Hard copies of the draft Plan Strategy are also available upon request.

## Soundness Testing

A key feature of Northern Ireland's new Planning System is 'Soundness' which requires the draft Plan Strategy document to be tested at Independent Examination (IE) in terms of content, conformity and the process by which it has been prepared. Derived from established practices in England and Wales, it is considered that 'Soundness' testing will provide a more effective basis for examining Local Development Plans and consequently contribute towards a shorter IE process.

The purpose of the IE is to determine if the draft Plan Strategy satisfies statutory requirements and is 'sound'. The presumption will be that the draft Plan Strategy is 'sound' unless it is shown to be otherwise as a result of evidence considered at the IE stage.

The tests of soundness are based upon three categories which relate to how the draft Plan Strategy has been produced, the alignment of the document with central government regional plans, policy and guidance and the coherence, consistency and effectiveness of the content of the draft Plan Strategy. The tests of soundness are set out below:

<b>Procedural Tests</b>	
P1	Has the DPD* been prepared in accordance with the Council's timetable and the Statement of Community Involvement?
P2	Has the Council prepared its Preferred Options Paper and taken into account any representations made?
P3	Has the DPD been subject to sustainability appraisal including Strategic Environmental Assessment?
P4	Did the Council comply with the regulations on the form and content of its DPD and procedure for preparing the DPD?
<b>Consistency Tests</b>	
C1	Did the Council take account of the Regional Development Strategy?
C2	Did the Council take account of its Community Plan?
C3	Did the Council take account of policy and guidance issued by the Department?
C4	Has the Plan had regard to other relevant plans, policies and strategies relating to the Council's district or to any adjoining Council's district?
<b>Coherence and Effectiveness Tests</b>	
CE1	The DPD sets out a coherent strategy from which its policies and allocations logically flow and where cross-boundary issues are relevant it is not in conflict with the DPDs of neighbouring Councils.

CE2	The strategy, policies and allocations are realistic and appropriate having considered the relevant alternatives and are founded on a robust evidence base.
CE3	There are clear mechanisms for implementation and monitoring.
CE4	It is reasonably flexible to enable it to deal with changing circumstances.

Further information on Soundness can be found in Development Plan Practice Notes published by the Department for Infrastructure (DfI). Of particular relevance is Practice Note 6 'Soundness' (Version 2) and Practice Note 9 'Submission and Handling of Representations', both are available to view at <https://www.infrastructure-ni.gov.uk/publications/development-plan-practice-notes>.

In addition, the Planning Appeals Commission has also produced guidance entitled 'Procedures for Independent Examination of Local Development Plans' available at <https://www.pacni.gov.uk/procedural-guides>.

## Making a Representation

As the main purpose of the IE is to determine whether the Development Plan Document (DPD) is 'sound', any person(s) wishing to make a representation to any part of the Plan should do so on the grounds of soundness. Any representation proposing a change to the Plan must demonstrate why the document is not sound having regard to the tests of soundness. Every representation should say precisely how the Plan should be changed in order to achieve soundness and should be supported, succinctly, by all the evidence thought necessary to justify the proposed change. Once the public consultation period has closed, **there will be no further opportunity to submit information unless the Commissioner requests it.**

Where several people share a common view on how the draft Plan Strategy should be changed, we encourage you to co-operate with each other, pool resources and make a single representation, for example, a local community group.

Those who make representations to the draft Plan Strategy should state whether they wish to have their representation considered at IE in writing or as an oral hearing. Unless people specifically request an oral hearing, the Commission will proceed on the basis that you are content that your representation will be considered in writing. The Commissioner will give every representation the same careful consideration regardless of whether the person who made it is heard orally or in written form.

## Points to Remember:

- Representations will be made publicly available for inspection at the Council's Offices and online for counter-representations;
- Complete all relevant sections of the response form;
- Clearly state why you consider the draft Plan Strategy to be 'unsound', having regard to the soundness tests;
- There will be no further opportunity to submit information once the public consultation period closes unless the Commissioner requests it;
- We would encourage you to submit separate forms for each representation you wish to submit;
- Every representation should say precisely how the draft Plan Strategy should be changed in order to achieve soundness;
- Representations should be supported, succinctly, by all the evidence thought necessary to justify the proposed change; and
- Clearly, state whether you wish for your representation to be heard orally or in writing.

## Submitting Your Representation

We recommend that you submit your representation via our on-line consultation hub, at [www.antrimandnewtownabbey.gov.uk/consultations](http://www.antrimandnewtownabbey.gov.uk/consultations), as this is the most efficient way to make a representation.

However, you can make a representation by completing this form and returning to us by **5pm on Friday 20 September 2019** either by email or by post.

**Representations received after the closing period will not be accepted and will be subsequently returned.**

## What Happens Next

When the consultation has closed, the Forward Planning Team will collate the representations received and as soon as reasonably practicable, publish these online for a further 8-week period of consultation to allow counter-objections to be made. The representations will also be available for public inspection during this period at the Council's Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8:30am to 5pm.

Once this period of counter-representations has closed, the Forward Planning Team will collate the counter-representations and publish these online. They will also be made available for public inspection at the Council's Offices in Mossley Mill, Newtownabbey and Antrim Civic Centre, Antrim from Monday to Friday 8:30am to

5pm. The next anticipated step will be for the Council to contact the Department for Infrastructure to request an Independent Examination of the draft Plan Strategy.

7. Please give details of why you consider the draft Plan Strategy to be **'UNSOUND'** having regard to the test(s) you have identified above. Please be as concise as possible.

*Please Note:* Your representation should be submitted in full and cover succinctly all the information, evidence, and any supporting information necessary to support/justify your submission. **This representation will be considered during the IE and here will be no further opportunity to submit information unless the Commissioner requests it.**

Our clients own lands at Niblock Road and have outline planning permission for up to 600 dwellings and a local centre. The lands are identified in Evidence Paper 6 Page 50-51 (No 3) and allocated for 538 dwellings.

We welcome the identification of these lands and would ask the Council to note that a reserved matters application is progressing through the planning process for 525 units and 6 local shops at present for this site. A decision is likely to be made on this application later this year.

In regard to the Council's housing need requirements we can confirm that this site is active and development will commence and be progressed in the coming years.

We note that the Council proposes that under policy DM17.3 any development over 40 units should provide a minimum of 10% of the total units as affordable housing. This is a new policy intervention that many Council's are seeking to apply across Northern Ireland. Affordable housing is clearly distinct from social housing. However it remains a matter that needs to be tested carefully on selected sites. To understand what is or is not affordable needs to be based on local market circumstances. The matter of the threshold needs to be examined and explained in greater detail by the Council in the forthcoming Independent Examination.

Neither the policy nor any other part of the Plan Strategy indicates that the affordable housing requirement can be off-set in other ways. This should be considered.

We would reserve the right to comment on this further particularly in regard to the size of sites that triggers the requirement, the definition of affordable and the percentage of the allocation.

## Modifications

8. If you consider the draft Plan Strategy to be '**UN SOUND**', please provide details of what, if any, modifications do you think should be made to the section, policy or proposal which your representation relates to? What specific modifications do you think should be made in order to address your representation? Please briefly state how your proposed alternative would meet the requirements of the Sustainability Appraisal and other published assessments.

The Plan Strategy needs to introduce increased flexibility in respect of Policy DM17.3.

Policy DM17.3 needs to be clearer on the size and type of sites that triggers the requirement; the definition of affordable needs to be considered at the Independent Examination and the percentage allocation needs to be reviewed. An ability to offset the requirement should also be considered.

9. If you are seeking a change to the draft Plan Strategy, please indicate how you would like your representation to be dealt with at Independent Examination:

*Please Note: Unless you specifically request an oral hearing, the Commission will proceed on the basis that you are content to your representations considered in written form only. The Commissioner will give every representation the same careful consideration regardless of whether the person who made it is heard orally or not.*
